CONCLUSIONS OF LAW

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), and Department of Human Services Reference Tables Manual (RFT).

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, PL 104-193, and 42 USC 601 to 679c. The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10 and 400.57a and Mich Admin Code, R 400.3101 to .3131.

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food Stamp Act of 1977, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 271.1 to 285.5. The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10 and Mich Admin Code, R 400.3001 to .3015.

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act, 42 USC 1396-1396w-5, and is implemented by 42 CFR 400.200 to 1008.59. The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10 and MCL 400.105.

The Adult Medical Program (AMP) is established by 42 USC 1315 and is administered by the Department pursuant to MCL 400.10.

The State Disability Assistance (SDA) program is established by the Social Welfare Act, MCL 400.1-.119b. The Department of Human Services (formerly known as the Family Independence Agency) administers the SDA program pursuant to MCL 400.10 and Mich Admin Code, R 400.3151-.3180.

The Child Development and Care (CDC) program is established by Titles IVA, IVE and XX of the Social Security Act, 42 USC 601-619, 670-679c, and 1397-1397m-5; the Child Care and Development Block Grant of 1990, PL 101-508, 42 USC 9858 to 9858q; and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, PL 104-193. The program is implemented by 45 CFR 98.1-99.33. The Department administers the program pursuant to MCL 400.10 and provides services to adults and children pursuant to MCL 400.14(1) and Mich Admin Code, R 400.5001-.5020.

Direct Support Services (DSS) is established by the Social Welfare Act, MCL 400.1-.119b. The program is administered by the Department pursuant to MCL 400.10 and 400.57a and Mich Admin Code R 400.3603.

The State SSI Payments (SSP) program is established by 20 CFR 416.2001-.2099 and the Social Security Act, 42 USC 1382e. The Department administers the program pursuant to MCL 400.10.

The Department testified that, initially, the Claimant was denied FAP for failing to return any of the verifications requested by the due date of September 3, 2013. However, the verifications had been received on August 29, 2013, unbeknownst to the Department's ES, because the verifications were not uploaded onto the Electronic Case File until after September 4, 2013. The Department's ES testified that the Claimant did submit all verification by the due date but for verification of her [REDACTED]. The Claimant testified that she believes she turned in all verification requested of her. The testimony of the ES is found to be credible and persuasive, as it is consistent with other evidence in the record, specifically, all of the verifications but that of the [REDACTED] [REDACTED] which are date stamped as being received on August 29, 2013.

BAM 130 pp. 2, 3, provides that the Department worker tell the Claimant what verification is required, how to obtain it and the due date by using a DHS-3503, Verification Checklist to request verification. In this case, the Department did just that. The Claimant must obtain required verification, but the Department's worker must assist if they need and request help. There is no evidence in this case to suggest that the Claimant asked her ES for assistance. BAM 130 (2012) p. 5, provides that verifications are considered to be timely if received by the date they are due. It instructs Department workers to send a negative action notice when the client indicates a refusal to provide a verification, or when the time period given has elapsed and the client has not made a reasonable effort to provide it. In this case, the Administrative Law Judge determines that the time period to submit the verification had lapsed, but the Claimant had made no reasonable effort to provide the verification of her [REDACTED]. Therefore, when the Department took action to deny the Claimant's application for FAP, it was acting in accordance with departmental policy.

Bridges Eligibility Manual (BEM) 400 p. 6, 7, sets the asset limit for MA-G2C at \$ [REDACTED] and provides that asset eligibility exists when the asset group's countable assets are less than, or equal to, the applicable asset limit at least one day during the month being tested. BEM 400 p. 55, provides that the Department's ES is not to require verification when countable assets exceed the limit based on a person's own statement of value.

Based on the verification of the Claimant's [REDACTED] in evidence, the Claimant did have less than \$ [REDACTED] in her [REDACTED] up until [REDACTED]. However, the Claimant did not return verification of her [REDACTED]. Based on the case comments in evidence, the Claimant had reported to the ES that she had \$ [REDACTED] her [REDACTED]. Those case comments are found to be persuasive as they are detailed and documented contemporaneous with activities in the Claimant's

case Therefore, the Administrative Law Judge concludes that when the Department took action to deny the Claimant's application for excess assets, it was acting in accordance with its policy.

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it took action to deny the Claimant's application for FAP and MA.
