## **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Human Service s Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), and Department of Human Services Re ference Tables Manual (RFT). Prior to

The Department's OIG requests IPV hearings for the following cases:

- FAP trafficking Ols that are not forw arded to the prosecutor.
- prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a r eason other than lack of evidence, and
  - the total OI amount for t he FIP, SDA, CDC, MA and FAP programs is \$1000 or more, or
  - the total OI amount is less than \$1000, and

- the group has a previous IPV, or
- > the alleged IPV involves FAP trafficking, or
- the alleged fraud involves c oncurrent receipt of assistance (see BEM 222), or
- the alleged fraud is committed by a state/government employee.

BAM 720, p. 10.

### **Intentional Program Violation**

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information or intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and co rrectly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ab ility to fulfill reporting responsibilities.

BAM 700, p. 6; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing r eduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); se e also 7 CF R 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

#### Disqualification

A court or hearing decision that finds a client committed IPV di squalifies that client from receiving program benefits. BAM 720, p. 12. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 13.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. BAM 720, p. 13. Refusal to repay will no t cause denial of current or future MA if the client is otherwise eligible. BAM 710, p. 2. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, li fetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p. 16.

When a client group receives more benefits than they are entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1.

In this case, the Respondent failed to report that her employment had ended resulting in her no longer needing CDC benefits, which resulted in her receiving an overissuance of CDC benefits of \$ that the Department is required to recoup.
