2. On September 1, 2013, the Department

CONCLUSIONS OF LAW

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), and Department of Human Services Reference Tables Manual (RFT).

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act, 42 USC 1396-1396w-5, and is implemented by 42 CFR 400.200 to 1008.59. The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10 and MCL 400.105.

Additionally, at the hearing, the Department presented multiple copies of the Department's requested forms all sent by Claimant via facsimile on various dates.

The Department and Claimant agree that numerous conversations or attempts to have same took place. Claimant testified that their physician was ill and unable to complete the necessary forms and that they had relayed this information to the Department. This fact was admitted by the Department.

This Administrative Law Judge finds that Claimant made numerous attempts to provide the documentation requested by the Department, but was thwarted in those attempts by circumstances beyond his control.

In addition, it appears from the record that Claimant not only provided much of the information in a timely manner, but he also kept in contact with the Department when it became apparent that information the Claimant assumed was successfully sent to the Department via facsimile was either not received or not forwarded to the Department's caseworker.

This Administrative Law Judge finds that the Department should have used the information available and provided by Claimant in a timely manner. BAM 130 (July 2013).

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department

- acted in accordance with Department policy when it .
- did not act in accordance with Department policy when it closed Claimant's MA case September 1, 2013.

failed to satisfy its burden of showing that it acted in accordance with Department policy when it .
