

(BEM), Department of Human Services Reference Tables Manual (RFT), and Department of Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act, 42 USC 1396-1396w-5, and is implemented by 42 CFR 400.200 to 1008.59. The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10 and MCL 400.105.

BAM 105 requires that the Department protect client rights. In the present case, the Department did not protect Claimant's rights when it failed to process Claimant's MA application. The Department representative testified at the hearing that the application was submitted to the wrong office. Nevertheless, the Department is required to protect client rights and forward the application to the proper Department office for processing.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department did not act in accordance with Department policy when it failed to process Claimant's MA application.
