FINDINGS OF	F FACT	
The Administrative Law Judge, based on the evidence on the whole record, finds as material	•	ial, and substantial
Claimant ☐ applied for ☒ received: ☐ FIP ☒ FAP ☒ MA ☐ AMP │ benefits.	□SDA □CDC	□DSS □SSP
2. On 2013, the Department ☐ denied Claimant's application ☐ due to failure to return requested verification	closed Claimant's ca	ase

☐ Direct Support Services (DSS) is established by the Social Welfare Act, MCL 400.1119b. The program is administered by the Department pursuant to MCL 400.10 and 400.57a and Mich Admin Code R 400.3603.
☐ The State SSI Payments (SSP) program is established by 20 CFR 416.20012099 and the Social Security Act, 42 USC 1382e. The Department administers the program pursuant to MCL 400.10.
The Department argued that claimant failed to to return properly requested verifications, and thus had his FAP and MA case closed.
Per BAM 130, the Department may request verifications when required by policy, or when an eligibility factor is unclear, inconsistent, incomplete, or contradictory.
Upon applying for benefits, the Department received a wage match that showed claimant received income during the 1 st and 2 nd quarters of 2013. There was no indication that claimant had ceased employment, and thus, there was an eligibility factor that was unclear, inconsistent, and incomplete, requiring a verification request.
Per claimant admission under oath, the claimant failed to return requested verifications. Claimant instead turned in a log showing that he was incarcerated for 10 days in the month of August. Claimant's reasoning behind turning in this log is that it would somehow show that he had lost the job in question, and therefore, show that he did not have income.
Leaving aside the fact that this incarceration log was not one of the verifications requested by the Department, the undersigned finds this verification to be wholly insufficient to showing that claimant was unemployed. Incarceration does not necessarily mean a job loss, nor does it mean a loss of income. The incarceration log can only be used to show that the claimant was incarcerated, and cannot be used to make inferences beyond the obvious. Claimant's incarceration logs do not verify a loss of income, and do nothing to show claimant's income at the times the Department requested.
Therefore, as the Department required income verification, and as claimant admitted to failing to return or attempt to return any income verification, the undersigned must hold that the Department's action in the current case was correct.
The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department
 □ acted in accordance with Department policy when it closed claimant's FAP and MA case for failing to reutrn income verifications. □ did not act in accordance with Department policy when it □ failed to satisfy its burden of showing that it acted in accordance with Department policy when it
