☐ Direct Support Services (DSS) is established by the Social Welfare Act, MCL 400.1119b. The program is administered by the Department pursuant to MCL 400.10 and 400.57a and Mich Admin Code R 400.3603.					
☐ The State SSI Payments (SSP) program is established by 20 CFR 416.20012099 and the Social Security Act, 42 USC 1382e. The Department administers the program pursuant to MCL 400.10.					
Additionally, the Department failed to submit any documentary evidence when it submitted its hearing packet. As such, the Department has failed to meet its burden of proof in showing that the action taken was correct.					
Furthermore, claimant was allegedly disqualified for a criminal justice disqualification, which allows for a denial or closure of an FAP case if the claimant is classified as a fleeing felon or has 2 or more felony controlled substance convictions since August 22, 1996. BEM 203, 204.					
The Department has failed to prove either of those conditions. The Department admitted under oath that current information indicates that claimant has only 1 felony controlled substance conviction, and has no information as to whether claimant is currently classified as a fugitive. The Department also admitted that it made no attempt to verify claimant's criminal justice status before closing the case.					
Therefore, as the Department has failed to meet even a rudimentary burden of proof, the undersigned has no choice but to reverse the actions taken by the Department and order the disqualification struck from claimant's Department file.					
The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department					
 □ acted in accordance with Department policy when it □ did not act in accordance with Department policy when it ☑ failed to satisfy its burden of showing that it acted in accordance with Department policy when it closed claimant's FAP case for a criminal justice disqualification.
