CONCLUSIONS OF LAW
Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), and Department of Human Services Reference Tables Manual (RFT).
☐ The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, PL 104-193, and 42 USC 601 to 679c. The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10 and 400.57a and Mich Admin Code, R 400.3101 to .3131.
∑ The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food Stamp Act of 1977, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 271.1 to 285.5. The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10 and Mich Admin Code, R 400.3001 to .3015.
∑ The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act, 42 USC 1396-1396w-5, and is implemented by 42 CFR 400.200 to 1008.59. The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10 and MCL 400.105.
☐ The Adult Medical Program (AMP) is established by 42 USC 1315 and is administered by the Department pursuant to MCL 400.10.
☐ The State Disability Assistance (SDA) program is established by the Social Welfare Act, MCL 400.1119b. The Department of Human Services (formerly known as the Family Independence Agency) administers the SDA program pursuant to MCL 400.10 and Mich Admin Code, R 400.31513180.
☐ The Child Development and Care (CDC) program is established by Titles IVA, IVE and XX of the Social Security Act, 42 USC 601-619, 670-679c, and 1397-1397m-5; the Child Care and Development Block Grant of 1990, PL 101-508, 42 USC 9858 to 9858q; and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, PL 104-193. The program is implemented by 45 CFR 98.1-99.33. The Department

BAM 130 pp. 2, 3, provides that the Department worker tell the Claimant what verification is required, how to obtain it and the due date by using a DHS-3503 Verification Checklist to request verification. In this case, the Department did just that. The policy does not require that the worker verbally tell the Claimant what is required nor is the worker required to leave a message on the Claimant's voice mail listing the verifications. If it was that critical to the Claimant to have the list early, then likely she should have pulled her car over and written down what verifications would be required. It is also not contested in this case that the Claimant did not request assistance nor did she ask for additional time to submit the verifications. Indeed, the ES still did not have the verifications at the time of hearing.

BAM 130 (2012) p. 5, provides that verifications are considered to be timely if received by the date they are due. It instructs Department workers to send a negative action notice when the client indicates a refusal to provide a verification, or when the time period given has elapsed and the client has not made a reasonable effort to provide it. In this case, the Administrative Law Judge determines that the time period to submit the verification had lapsed and the Claimant had made no reasonable effort to provide the verification. As such, the Administrative Law Judge concludes that the Department has met its burden of establishing that it was acting in accordance with policy when taking action to close the Claimant's case for failure to submit the required verification.

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it took action to deny the Claimant's application for MA and to close the Claimant's case for FAP.
