HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, a telephone hearing was held on November 14, 2013 from Detroit, Michigan. The Department was represented by ██████████, Regulation Agent of the Office of Inspector General (OIG).

Respondent did not appear at the hearing and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

 Family Independence Program (FIP) State Disability Assistance (SDA)

benefits that the Department is entitled to recoup?
2. Did Respondent, by clear and convincing evidence, commit an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving
 Family Independence Program (FIP)? State Disability Assistance (SDA)?
 Food Assistance Program (FAP)? Child Development and Care (CDC)?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on September 9, 2013, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG has has not requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FIP FAP SDA CDC MA benefits issued by the Department.
4. Respondent was was not aware of the responsibility to report that he was no longer a resident of Michigan.
5. Respondent had no apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is October 26, 2011 through May 22, 2012 (fraud period).
7. During the fraud period, Respondent was issued \$1200 in FIP FAP SDA CDC MA benefits by the State of Michigan, and the Department alleges that Respondent was entitled to \$0 in such benefits during this time period.
8. The Department alleges that Respondent received an OI in FIP FAP SDA CDC MA benefits in the amount of \$1200.
9. This was Respondent's first second third alleged IPV.
10. A notice of hearing was mailed to Respondent at the last known address and was was not returned by the US Post Office as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), and Department of Human Services Reference Tables Manual (RFT). Prior to August 1, 2008, Department policies were contained in the Department of Human Services Program Administrative Manuals (PAM), Department of Human Services Program Eligibility Manual (PEM), and Department of Human Services Reference Schedules Manual (RFS).

☒ The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food Stamp Act of 1977, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 271.1 to 285.5. The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10 and Mich Admin Code, R 400.3001 to .3015.

The Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor,
- prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - the total OI amount for the FIP, SDA, CDC, MA and FAP programs is \$1000 or more, or
 - the total OI amount is less than \$1000, **and**
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720 (10/1/13), p. 10.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (10/1/13), p. 6; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the evidence presented demonstrates that the claimant applied for food assistance on August 23, 2011. Approximately 4 months later the claimant began to use his food assistance benefits outside the state of Michigan on December 29, 2011 in the state of Tennessee. At the time of the application the claimant represented to the department that he was a resident of the state of Michigan and made no other representations with respect to living in Michigan thereafter on any other report to the state of Michigan such as a redetermination. Based upon the out-of-state use of benefits for a period of 6 ½ months, it is determined that the evidence presented does not meet the threshold required to establish an intention to commit fraud and thus an intentional program violation has not been established.

Disqualification

A court or hearing decision that finds a client committed IPV disqualifies that client from receiving program benefits. BAM 720, p. 12. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 13.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. BAM 720, p. 13. Refusal to repay will not cause denial of current or future MA if the client is otherwise eligible. BAM 710 (10/1/13), p. 2. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p. 16.

In this case, the department did not establish that an intentional program violation was committed by the Respondent and therefore its request for disqualification is not substantiated and therefore is denied.

Overissuance

When a client group receives more benefits than they are entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1.

In this case, the department clearly established that the claimant remained outside the state of Michigan for more than 30 days. The department also presented an issuance summary of benefits which demonstrated that the claimant received \$200 a month in food assistance. Exhibit 1 pp. 31.

At the hearing, the Department presented a FAP transaction history that established that Respondent used Michigan-issued FAP benefits out of state from December 29, 2011 through July 13, 2012.

Clients are not eligible for FAP benefits if they do not reside in Michigan. BEM 220, p. 1. Respondent's FAP use out of state established that he did not reside in Michigan. Thus, he was not eligible for FAP benefits and was overissued FAP benefits for any period he was ineligible to receive FAP benefits.

Under Department policy, the calculation of the first month of the OI requires that the Department apply the 10-day client reporting period, the 10-day processing period, and the 12-day negative action suspense period which was done in this case. BAM 720, p. 6

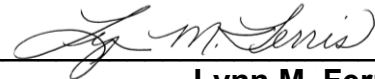

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. Respondent did did not commit an IPV by clear and convincing evidence.
2. Respondent did did not receive an OI of program benefits in the amount of \$1200 from the following program(s) FIP FAP SDA CDC MA.

The Department is ORDERED to

- initiate recoupment procedures for the amount of \$1200 in accordance with Department policy.
