CONCLUSIONS OF LAW

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), and Department of Human Services Reference Tables Manual (RFT). Prior to

August 1, 2008, Department policies were contained in the Department of Human Services Program Administrative Manuals (PAM), Department of Human Services Program Eligibility Manual (PEM), and Department of Human Services Reference Schedules Manual (RFS).

∑ The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food Stamp Act of 1977, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 271.1 to 285.5. The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10 and Mich Admin Code, R 400.3001 to .3015.

The Department's OIG requests IPV hearings for the following cases:

- FAP trafficking Ols that are not forwarded to the prosecutor,
- prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - the total OI amount for the FIP, SDA, CDC, MA and FAP programs is \$1000 or more, or
 - the total OI amount is less than \$1000, and
 - > the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720 (7/1/13), p. 10.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (7/1/13), p. 6; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Department conceded that its request for disqualification due to reciept of concurrent FAP benefits from Iowa and Michigan had no basis in fact, and thus its request must be denied. Additionally, it is determined that although the proofs presented did demonstrate that the Claimant received FAP benefits from the State of Michigan and usage of the Respondent's EBT card in Iowa during the period from February 2012 through June 2012, the time period is not sufficient to demonstrate an intentional failure to report information or intention to give false information. Therefore no IPV is established.

Disqualification

A court or hearing decision that finds a client committed IPV disqualifies that client from receiving program benefits. BAM 720, p. 12. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 13.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. BAM 720, p. 13. Refusal to repay will not cause denial of current or future MA if the client is otherwise eligible. BAM 710 (10/1/13), p. 2. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p. 16.

In this case, as the Department has not established an IPV, it is not entitled to any disqualification

<u>Overissuance</u>

When a client group receives more benefits than they are entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1.

In this case, the Department did establish that during the period February 1, 2012 through June 1, 2012, the Claimant did use his FAP benefits outside of state of Michigan in the State of Iowa. The Department did establish that the Claimant, by his exclusive use of benefits in Iowa that he resided outside the state of Michigan for more that 30 days and thus was not entitled to receive FAP benefits from the state of

Michigan. At the hearing, the Department presented a FAP transaction history that established that Respondent used Michigan-issued FAP benefits out of state from February 2012 to June 2012.

Clients are not eligible for FAP benefits if they do not reside in Michigan. BEM 220, p. 1. Respondent's FAP use out of state established that he did not reside in Michigan. Thus, he was was not eligible for FAP benefits and was overissued FAP benefits for any period he was ineligible to receive FAP benefits.

Under Department policy, the calculation of the first month of the OI requires that the Department apply the 10-day client reporting period, the 10-day processing period, and the 12-day negative action suspense period. BAM 720, p. 6.

The Department correctly credited the Respondent for the reporting period of 30 days and the applicable notice periods and thus is entitled to a determination that the Respondent received \$1,000 in FAP benefits he was not otherwise entitled to receive.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1.	Respondent \square did \boxtimes did not commit an IPV by clear and convincing evidence.
2.	Respondent \boxtimes did \square did not receive an OI of program benefits in the amount of \$1000 from the following program(s) \square FIP \boxtimes FAP \square SDA \square CDC \square MA.
The	Department is ORDERED to ⊠ initiate recoupment procedures for the amount of \$1000 in accordance with Department policy.
