### **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), and Department of Human Services Reference Tables Manual (RFT).

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, PL 104-193, and 42 USC 601 to 679c. The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10 and 400.57a and Mich Admin Code, R 400.3101 to .3131.

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food Stamp Act of 1977, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 271.1 to 285.5. The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10 and Mich Admin Code, R 400.3001 to .3015.

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act, 42 USC 1396-1396w-5, and is implemented by 42 CFR 400.200 to 1008.59. The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10 and MCL 400.105.

Additionally, there are two issues in this case to be decided. The first issue is whether the Claimant's request for a hearing regarding the denial of her FIP cash assistance application in October 2011 and the denial of her food assistance application in October 2011 was timely.

Regulations governing the hearing and appeal process for applicants and recipients of public assistance in Michigan are found in Mich Admin Code, R 400.901 through R 400.951. Rule 400.903(1) provides as follows:

An opportunity for a hearing shall be granted to an applicant who requests a hearing because [a] claim for assistance is denied or is not acted upon with reasonable promptness, and to any recipient who is aggrieved by a Department action resulting in suspension, reduction, discontinuance, or termination of assistance.

A request for hearing must be in writing and signed by the Claimant, petitioner, or authorized representative. Rule 400.904(1). Moreover, the Department of Human Services Bridges Administrative Manual (BAM) 600 (10/2013), p. 4, provides in relevant part as follows:

The client or authorized hearing representative has *90 calendar days from the date of the written notice of case action to request a hearing*. The request must be received anywhere in DHS within the 90 days. [Emphasis added.]

A request for hearing must be made within 90 days of the date of the notice of case action. In this case, almost 2 years have passed since the Department denied the Claimant's applications. Based on the facts presented at the hearing it is determined that the hearing request for food assistance and cash assistance denial was untimely and therefore the request for hearing regarding those issues must be dismissed.

The second issue involves whether or not the Claimant properly and timely returned the redetermination sent to her at the last address on file with the Department. The evidence presented in this case demonstrated that the Claimant did not file a change of address as required by Department Policy; therefore, the Department sent the redetermination to Claimant's old address. Based on these facts and circumstances it is determined that because the Claimant did not comply with policy the Department had no choice but to close the Claimant's medical assistance for failure to complete redetermination. As stated at the hearing Claimants are required to report changes including changes in income and change in address within 10 days of the change. As further stated at the hearing the Claimant may reapply for medical assistance at any time. Based on the evidence presented the Department properly closed the Claimant's Medical Assistance Case.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any finds that the Department

acted in accordance with Department policy when it closed the Claimant's Medical Assistance Case for failure to complete the redetermination.

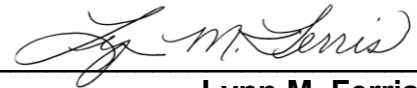

The Claimant's request for hearing regarding Food Assistance and FIP cash assistance application denial from a denial in October 2011 is untimely. Claimant did not file a request for hearing to contest the Department's action until October 25, 2013. Claimant's hearing request was not timely filed within ninety days of the Notice of Case Action and is, therefore, **DISMISSED** for lack of jurisdiction. BAM 600, p. 4.

### **DECISION AND ORDER**

Accordingly, the Department's decision is

AFFIRMED with regard to the closure of the Claimant's Medical Assistance Case.

The Claimant's request for hearing dated October 25, 2013 as regards her request for hearing regarding the denial of food assistance and cash assistance applications is hereby DISMISSED for lack of jurisdiction.
