**ORDER OF DISMISSAL
FOR LACK OF JURISDICTION**

Regulations governing the hearing and appeal process for applicants and recipients of public assistance in Michigan are found in Mich Admin Code, R 400.901 through R 400.951. Rule 400.903(1) provides as follows:

An opportunity for a hearing shall be granted to an applicant who requests a hearing because [a] claim for assistance is denied or is not acted upon with reasonable promptness, and to any recipient who is aggrieved by a Department action resulting in suspension, reduction, discontinuance, or termination of assistance.

In this case, the Claimant was also protesting a denial of cash assistance; however, the uncontested evidence was that the Claimant only ever submitted an application for FAP and MA/AMP. As there was no application for cash assistance, the Department did not take negative action regarding cash assistance. The Administrative Law Judge therefore determines that there is no jurisdiction to hear an issue regarding cash assistance because there has been no negative action regarding cash assistance. The Claimant's hearing request for cash assistance is, therefore, **DISMISSED** for lack of jurisdiction. BAM 600, p. 5.

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. Claimant applied for: FAP and MA benefits.
2. On August 22, 2013, the Department denied Claimant's application for AMP and due to there being an enrollment freeze on AMP benefits and because the Claimant was not categorically eligible for MA.
3. On September 6, 2013, the Department denied Claimant's application for FAP due to the Claimant's failure to return the required verifications.
4. On August 22, 2013, the Department sent Claimant its AMP decision.
5. On September 6, 2013, the Department sent Claimant its decision.
6. On November 1, 2013, Claimant filed a hearing request, protesting the Department's actions.
7. On November 7, 2013, the Department received the Claimant's missing bank verifications.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), and Department of Human Services Reference Tables Manual (RFT).

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, PL 104-193, and 42 USC 601 to 679c. The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10 and 400.57a and Mich Admin Code, R 400.3101 to .3131.

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food Stamp Act of 1977, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 271.1 to 285.5. The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10 and Mich Admin Code, R 400.3001 to .3015.

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act, 42 USC 1396-1396w-5, and is implemented by 42 CFR 400.200 to 1008.59. The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10 and MCL 400.105.

The Adult Medical Program (AMP) is established by 42 USC 1315 and is administered by the Department pursuant to MCL 400.10.

The State Disability Assistance (SDA) program is established by the Social Welfare Act, MCL 400.1-.119b. The Department of Human Services (formerly known as the Family Independence Agency) administers the SDA program pursuant to MCL 400.10 and Mich Admin Code, R 400.3151-.3180.

The Child Development and Care (CDC) program is established by Titles IVA, IVE and XX of the Social Security Act, 42 USC 601-619, 670-679c, and 1397-1397m-5; the Child Care and Development Block Grant of 1990, PL 101-508, 42 USC 9858 to 9858q; and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, PL 104-193. The program is implemented by 45 CFR 98.1-99.33. The Department administers the program pursuant to MCL 400.10 and provides services to adults and children pursuant to MCL 400.14(1) and Mich Admin Code, R 400.5001-.5020.

Direct Support Services (DSS) is established by the Social Welfare Act, MCL 400.1-.119b. The program is administered by the Department pursuant to MCL 400.10 and 400.57a and Mich Admin Code R 400.3603.

The State SSI Payments (SSP) program is established by 20 CFR 416.2001-.2099 and the Social Security Act, 42 USC 1382e. The Department administers the program pursuant to MCL 400.10.

In this case, the Claimant did not contest that he did not submit the required verifications for FAP until after 60 days after his application was denied. Bridges Administrative Manual (BAM) 130 pp. 2, 3, provides that the Department worker tell the Claimant what verification is required, how to obtain it and the due date by using a DHS-3503, Verification Checklist to request verification. In this case, the Department did just that. The Claimant must obtain required verification, but the Department's worker must assist if they need and request help. BAM 130 (2012) p. 5, provides that verifications are considered to be timely if received by the date they are due. It instructs Department workers to send a negative action notice when the client indicates a refusal to provide a verification, or when the time period given has elapsed and the client has not made a reasonable effort to provide it. In this case, the Administrative Law Judge determines

that the time period to submit the verification had lapsed, but the Claimant had made no reasonable effort to provide the verification nor did the Claimant ask the Department to assist him in obtaining the verification. As such, the Administrative Law Judge determines that the Department was acting in accordance with its policy when taking action to deny the Claimant's application for FAP.

Additionally, Bridges Eligibility Manual (BEM) 105 (2013) p. 1, provides that MA is comprised of several eligibility categories. Claimants may be eligible for MA if the Claimant is blind, disabled, over 65 or under 21, pregnant or a caretaker of minor children. The uncontested fact in this case is that the Claimant did not fit into any of the above listed eligibility categories. As such, the Department attempted to determine eligibility for the only other category of MA, which is AMP.

BEM 640 (2013) p. 1, provides that applications received during the freeze on AMP enrollments must be registered and denied using "applicant did not meet other eligibility requirements" as the denial reason. Applicants must be informed that the reason for denial is an enrollment freeze. The ES credibly testified that the Claimant's denial for MA is because he did not meet other categorical eligibility requirements and that the denial for AMP is due to an enrollment freeze at this time. Therefore, the Administrative Law Judge determines that the Department was acting in accordance with its policy when it took action to deny the Claimant's application for MA/AMP.

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it took action to deny the Claimant's application for FAP and MA/AMP.
