CONCLUSIONS OF LAW

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

The FAP [formerly known as the Food Stamp (F S) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and 1999 AC, R 400.3001 through Rule 400.3015.

For FAP purposes, all earned and unearned income available to Claimant is countable. Earned income means income received from another person or organization or from self-employment for duties that were performed for compensation or profit. Unearned income means all income that is not earned, including but not limited to funds received from the Family Independence Program (FIP), State Disability Assistance (SDA), Child Development and Care (CDC), Medicaid (MA), Social Security Benefits (RSDI/SSI), Veterans Administration (VA), Unemployment Compensation Benefits (UCB), Adult Medical Program (AMP), alimony, and child support payments. The amount counted may be more than the client actually receives because the gross amount is used prior to any deductions. BEM 500.

The Department determines a Client's eligibility for program benefits based on the Client's actual income and/or prospective income. Actual income is income that was already received. Prospective income is income not yet received but expected. Prospective budgeting is the best estimate of the Client's future income. All income is converted to a standard monthly amount. If the Client is paid weekly, the Department multiplies the average weekly amount by 4.3. If the Client is paid every other week, the Department multiplies the average bi-weekly amount by 2.15. BEM 505.

After an extensive review of the Claimant's budget I have determined all calculations were properly made at review, and all FAP issuance/budgeting rules were properly applied. As such, the Department's reduction of the Claimant's FAP benefits must be upheld.

Based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, I find, the Department properly reduced Claimant's FAP benefits.

DECISION AND ORDER

I find, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, find the Department did act properly

Accordingly, the Department's FAP decision is **AFFIRMED** for the reasons stated on the record.
