CONCLUSIONS OF LAW

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

The Department processed Claimant's application for benefits dated May 14, 2012, and denied the application for failure to provide verifications. At hearing, it was discovered Claimant's representative was never sent a verification checklist requesting any verifications. The Department indicated the original verification was sent out as part of a redetermination started prior to April 2012. The Department was unable to say for certain if the verification had been reissued to Claimant and her representative following the application filed on May 14, 2012.

BAM 110, p. 7, requires the Department to send communications to the authorized representative.

Based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, the Administrative Law Judge concludes that the Department

- properly denied Claimant's application improperly denied Claimant's application
 properly closed Claimant's case improperly closed Claimant's case

for: AMP FIP FAP MA SDA CDC.
