CONCLUSIONS OF LAW

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

Additionally, at the hearing the Authorized Representative had no explanation for its failure to submit verification documents to the Department in a timely fashion. The Department's Bridges Administrative Manual (BAM) 130, "Verification and Collateral Contacts," requires the Department to verify income and assets in the eligibility determination process. Without the required information, the Department cannot make an accurate determination of eligibility. Department of Human Services Bridges Administrative Manual (BAM) 130 (2012).

Accordingly, having considered all of the evidence in this case as a whole, it is found and determined that the Department acted correctly in denying Claimant's application for Medicaid. The Department is AFFIRMED and need take no further action in this case.

Based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, the Administrative Law Judge concludes that the Department

properly denied Claimant's application improperly denied Claimant's application
 properly closed Claimant's case improperly closed Claimant's case

for: AMP FIP FAP MA SDA CDC.
