CONCLUSIONS OF LAW

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, Public Law 104-193, 42 USC 601, *et seq.* The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10, *et seq.*, and 1999 AC, R 400.3101 through Rule 400.3131. FIP replaced the Aid to Dependent Children (ADC) program effective October 1, 1996.

The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and 1999 AC, R 400.3001 through Rule 400.3015.

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

The Adult Medical Program (AMP) is established by 42 USC 1315, and is administered by the Department pursuant to MCL 400.10, *et seq.*

The State Disability Assistance (SDA) program, which provides financial assistance for disabled persons, is established by 2004 PA 344. The Department of Human Services (formerly known as the Family Independence Agency) administers the SDA program pursuant to MCL 400.10, *et seq.*, and 2000 AACS, R 400.3151 through Rule 400.3180.

The Child Development and Care (CDC) program is established by Titles IVA, IVE and XX of the Social Security Act, the Child Care and Development Block Grant of 1990, and the Personal Responsibility and Work Opportunity Reconciliation Act of 1996. The program is implemented by Title 45 of the Code of Federal Regulations, Parts 98 and 99. The Department provides services to adults and children pursuant to MCL 400.14(1) and 1999 AC, R 400.5001 through Rule 400.5015.

The Claimant protested that he did not receive the DHS-800, Medical Appointment Confirmation Notice. The Claimant's [REDACTED] testified that he gets the mail every day and anything that comes for the Claimant goes straight to his room. [REDACTED] testified that the Claimant's appointments are always written down on the dry erase board on the refrigerator. The Claimant testified that his address had remained the same at all times relevant to this matter and that he did receive the Notice of Hearing and the DHS-1605, Notice of Case Action denying his application for MA. The Claimant also testified that Case Worker Nelson telephoned him to tell him his appointment was for the 28th. This testimony was found to be less than credible as it was contested by the Case Worker Nelson and it is inconsistent with the DHS-800, Medical Appointment Confirmation Notice in evidence. Furthermore, the Administrative Law Judge takes official notice that departmental case workers have enormous case loads and it is simply not likely that a case worker would telephone a Claimant with an appointment time and date when a written notice of appointment could be sent instead.

The proper mailing and addressing of a letter creates a presumption of receipt. That presumption may be rebutted by evidence. *Stacey v Sankovich*, 19 Mich App 638 (1969); *Good v Detroit Automobile Inter-Insurance Exchange*, 67 Mich App 270 (1976). Because the Claimant's address has remained the same at all times relevant to this matter and because he received the Notice of Hearing and DHS-1605, Notice of Case Action, the Administrative Law Judge concludes that the evidence is insufficient to rebut the presumption that the Claimant received the DHS-800, Medical Appointment Confirmation Notice.

The DHS-800, Medical Appointment Confirmation Notice was sent so that the Claimant could see a [REDACTED] who would then complete the departmental forms so that the Claimant's disability could be verified. Bridges Assistance Manual (BAM) 130 (2012) p. 5 instructs Department workers to send a negative action notice when the client indicates refusal to provide a verification, or when the time period given has elapsed and the client has not made a reasonable effort to provide it. In this case, the Administrative Law Judge determines that the Claimant made no reasonable effort to attend the appointment set for him so that he could provide the verification the Department required. As such, the Administrative Law Judge concludes that the Department has met its burden of establishing that it was acting in accordance with policy when taking action to deny the Claimant's MA application for failure to attend the required appointment and therefore submit the required verification.

Based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, the Administrative Law Judge concludes that the Department

properly denied Claimant's application improperly denied Claimant's application
 properly closed Claimant's case improperly closed Claimant's case for:
 AMP FIP FAP MA SDA CDC.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law finds that the Department did act properly. did not act properly.

Accordingly, the Department's AMP FIP FAP MA SDA CDC decision is AFFIRMED REVERSED.
