IN THE MATTER OF:

Issue No.: 2001
Case No.: [REDACTED]
Hearing Date: August 1, 2013
County: Monroe County DHS

ADMINISTRATIVE LAW JUDGE: Corey A. Arendt

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 following Claimant's request for a hearing. After due notice, a telephone hearing was held on August 1, 2013, from Lansing, Michigan. Participants on behalf of Claimant included [REDACTED] [REDACTED]. Participants on behalf of Department of Human Services (Department) included [REDACTED] [REDACTED].

ISSUE

Did the Department properly deny the Claimant's application for Medical Assistance (MA)?

FINDINGS OF FACT

I find as material fact, based on the competent, material, and substantial evidence on the whole record:

1. In February of 2013, the Claimant applied for MA benefits.
2. At the time of the application, the Claimant indicated he was able to work and under the belief he could work.
3. On or around February 13, 2013, the Department denied the Claimant's MA application as the Claimant indicated he was able to work.
4. On February 25, 2013, the Claimant requested a hearing in dispute of the MA application denial.

CONCLUSIONS OF LAW

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

The MA program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

The AMP is established by 42 USC 1315, and is administered by the Department pursuant to MCL 400.10, *et seq.*

The goal of the Medicaid program is to ensure that essential health care services are made available to those who otherwise could not afford them. Medicaid is also known as Medical Assistance (MA). BEM 105 (2012), p. 1.

The Medicaid program is comprised of several sub-programs or categories. One category is FIP recipients. Another category is SSI recipients. There are several other categories for persons not receiving FIP or SSI. However, the eligibility factors for these categories are based on (related to) the eligibility factors in either the FIP or SSI program. Therefore, these categories are referred to as either FIP-related or SSI related. BEM 105 (2012), p. 1.

To receive MA under an SSI-related category, the person must be aged (65 or older), blind, disabled, entitled to Medicare or formerly blind or disabled. BEM 105 (2012), p. 1.

To receive FIP related MA, the Claimant must either have dependent children; be the caretaker relative of dependent children; be under the age of 21 or be pregnant. BEM 105 (2012), p. 1.

A person is disabled for MA purposes if all the following are true:

- The Claimant has a medically determined physical or mental impairment.
- **The impairment prevents the Claimant from engaging in substantial gainful activity.**
- The impairment
 - Can be expected to result in death, or
 - Has lasted at least 12 consecutive months, or
 - Is expected to last at least 12 consecutive months.

In this case, the Department denied the Claimant as the Claimant indicated he could work. Additionally, the Claimant did not provide any evidence of having either dependent children or being the caretaker relative of dependent children, under the age of 21 or pregnant. Therefore, the Department properly denied the Claimant's application for MA benefits.

Based on the presented facts, I find the Department's actions were in conformity with the applicable laws and policies and therefore, I **AFFIRM** the Department's actions in this matter.

DECISION AND ORDER

I find the Department did act properly, based upon the above Findings of Fact and Conclusions of Law.

Accordingly, the Department's MA decision is **AFFIRMED**.
