CONCLUSIONS OF LAW

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3001 through Rule 400.3015.

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105.

Additionally, the issue in this case is whether the Department properly closed the Claimant's Medical Assistance due to closure of Claimant's SSI benefits by Social Security Administration, ("SSA"). The Claimant testified that the SSA closed her SSI due to the fact that she inherited a home from a relative, not because the SSA found that she was no longer disabled. Accordingly, the Department closed the Claimant's Medical Assistance effective June 1, 2013 and sent a Notice of Case Action to the Claimant on May 7, 2013. Based upon the evidence presented at the hearing it is determined that the Department correctly closed the Claimant's case pursuant to Department policy found in BEM 150 at page 5 which provides: MA SSI is closed in Bridges if SSI stopped due to reasons that prevents continued MA eligibility... Bridges sends the recipient a DHS 1605 (Notice of Case Action). If closure was for reasons due to disability not continuing, a different procedure would have been followed and an ex parte review would be required. Here the Claimant did reapply subsequently, but the

Department was not required to continue to keep the Medical Assistance case open and transfer it to SSIT as the Claimant's SSI was not terminated due to ending of disability. BEM 150, pp5 (3/1/13).

At the hearing the Claimant advised that no issue remained with regard to Food Assistance.

Based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, the Administrative Law Judge concludes that the Department

properly denied Claimant's application improperly denied Claimant's application
 properly closed Claimant's case improperly closed Claimant's case

for: AMP FIP FAP MA SDA CDC.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, finds that the Department
 did act properly. did not act properly.

Accordingly, the Department's AMP FIP FAP MA SDA CDC decision is AFFIRMED REVERSED for the reasons stated on the record.
The Claimant's request for hearing dated May 14, 2013 regarding her Food Assistance is dismissed as no issue remains to be resolved.
