### **CONCLUSIONS OF LAW**

Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Reference Tables Manual (RFT).

The FAP [formerly known as the Food Stamp (F S) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and 1999 AC, R 400.3001 through Rule 400.3015.

Clients must cooperate with the local office in determining initial and ongoing eligibility. This includes completion of necessary forms. Clients must completely and truthfully answer all questions on forms and in interviews.

The client might be unable to answer a question about himself or another person whose circumstances must be known. Allow the client at least 10 days (or other timeframe specified in policy) to obtain the needed information.

Testimony and other evidence must be weighed and considered according to its reasonableness.<sup>1</sup> Moreover, the weight and credibility of this evidence is generally for the fact-finder to determine.<sup>2</sup> In evaluating the credibility and weight to be given the testimony of a witness, the fact-finder may consider the demeanor of the witness, the reasonableness of the witness's testimony, and the interest, if any, the witness may have in the outcome of the matter.<sup>3</sup>

I have carefully considered and weighed the testimony and other evidence in the record and find the Claimant never returned all the requested verifications as requested and required by the due date. Therefore, I find the Department's actions were appropriate.

<sup>2</sup> *Dep't of Community Health*, 274 Mich App at 372; *People v Terry*, 224 Mich App 447, 452; 569 NW2d 641 (1997).

<sup>3</sup> *People v Wade*, 303 Mich 303 (1942), *cert den*, 318 US 783 (1943).

The Claimant alleged two different things at the hearing. He first alleged his children did not have bank accounts and then later indicated the accounts were in the children's mothers' name. All that being said, the Claimant did not provide any statements to the Department indicating the children did not have accounts at the bank. Additionally, the Claimant could not identify when he had an alleged conversation with the Department regarding the accounts.

Accordingly, I **AFFIRM** the Department's actions in this matter.

**DECISION AND ORDER**

I find based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, the Department did act properly.

Accordingly, the Department's decision is **AFFIRMED**.
