PROCEDURAL HISTORY: This case was originally set for hearing on [REDACTED] and on that date, the undersigned Administrative Law Judge granted an [REDACTED] of the hearing. The Administrative Law Judge was under the mistaken impression that the case required a disability determination. However, it was on May 15, 2012 that the Claimant was sent a DHS-1605, Notice of Case Action informing her that her application for SDA was denied because the MRT had determined that she was not disabled.

A request for hearing must be in writing and signed by the Claimant, petitioner, or authorized representative. Rule 400.904(1). Moreover, the Department of Human Services Bridges Administrative Manual (BAM) 600 (2012), p. 5, provides in relevant part as follows:

The client or authorized hearing representative has *90 calendar days from the date of the written notice of case action to request a hearing*. The request must be received anywhere in DHS within the 90 days. [Emphasis added.] Claimant's hearing request for the MRT denial of her SDA application was not timely filed within ninety days of the Notice of Case Action and is, therefore, **DISMISSED** for lack of jurisdiction. BAM 600, p. 5.

The uncontested facts of this case are that the Claimant was notified, on March 8, 2013 that she was not categorically eligible for cash assistance. When Claimant completed the application she did not assert that she was disabled nor did she indicate that she was pregnant or taking care of minor children. The Claimant did not contest those facts.

Additionally, Bridges Eligibility Manual (BEM) 209 (2012) p. 4, provides that, to be eligible for cash assistance, a Claimant must meet one or more categories of eligibility. Claimants may be eligible for cash assistance if the Claimant is blind, disabled, over 65 or under 21, pregnant or a caretaker of minor children. Specifically, to receive SDA, the Claimant must be blind or disabled. The uncontested fact in this case is that the Claimant did not fit into any of the above listed eligibility categories.

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it took action to deny the Claimant's application for SDA.

DECISION AND ORDER

Accordingly, the Department's decision is AFFIRMED.
