Following Claimant's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 45 CFR 99.1 to 99.33; and 45 CFR 205.10. After due notice, a telephone hearing was held on December 18, 2013, from Detroit, Michigan. <u>ISSUE</u>							
Did the Department properly $\square$ deny Claimant's application $\boxtimes$ close Claimant's case for:							
☐ Family Independence Program (FIP)? ☐ Food Assistance Program (FAP)? ☐ Medical Assistance (MA)? ☐ Adult Medical Assistance (AMP)? ☐	State Disability Assistance (SDA)? Child Development and Care (CDC)? Direct Support Services (DSS)? State SSI Payments (SSP)?						
FINDINGS OF FACT							
The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:							
1. Claimant ☐ applied for ☑ received: ☐ FIP ☑ FAP ☐ MA ☐ AMP ☐ benefits.	SDA □CDC	□DSS □SSP					
2. On 2013, the Department ☐ denied Claimant's application ☐ due to failure to return verifications of income		ase					

□ Direct Support Services (DSS) is establis	hed by the Social Welfare Act, MCL 400.1-
.119b. The program is administered by the	Department pursuant to MCL 400.10 and
400.57a and Mich Admin Code R 400.3603.	·
☐ The State SSI Payments (SSP) program	is established by 20 CFR 416.20012099
and the Social Security Act, 42 USC 1382e.	The Department administers the program
pursuant to MCL 400.10.	

The Department argued that claimant failed to to return properly requested verifications, and thus had her FAP case closed.

Per BAM 130, the Department may request verifications when required by policy, or when an eligibility factor is unclear, inconsistent, incomplete, or contradictory.

If neither the client nor the Department can obtain verification despite a reasonable effort, the Department is to use the best available information. If no evidence is available, the Department must use their best judgment. BAM 130.

Benefits may be terminated only if the client indicates refusal to provide a verification, or if the time period given to provide verifications has elapsed and the client has not made a reasonable effort to provide it. BAM

However, critical in all this is that verifications must first be properly requested.

On 2013 claimant was sent an Unearned Income Notice, DHS-4487, stating that the IRS had informed DHS of unearned income. This notice specifically stated that claimant's "specialist will be contacting you in the next few weeks about your redetermination of eligibility. Your specialist will ask for verification of account(s) described below".

This notice did not contain a due date for verifications, nor did it require claimant to act right then to secure verifications.

In fact, BAM 803, which deals with these types of notices and data matches, states that the Department must then set a task/reminder to subsequently request verifications of the claimant; when this task/reminder is sent to the case worker, the case worker than proceeds to make a verification request. At no point is the DHS-4487 considered a request for verification.

However, the caseworker in question came to the conclusion, despite language on the DHS-4487 stating that it was not a verification request, that the DHS-4487 was a verification request, and proceeded to close the case when the claimant did not respond to a notice that did not require a response.

Per BAM 130, the specialist must use a DHS-3503 to request verifications. The Department testified that no DHS-3503 was sent out, and argued that the DHS-4487

should have been sufficient, or, in the alternative, a verbal contact with the claimant, notifying her of the need to return documents, was sufficient.

The undersigned should not need to remind the Department that, as a bureaucracy, there is no such thing as a verbal notification; this is especially true when policy specifically directs the sending of a DHS-3503 to request verification.

Therefore, as claimant's case was closed in response to a failure to provide verifications, and as the Department admits that it never made an official request for verification, and as a DHS-4487 is not a verification request despite arguments to the contrary, the claimant's case was closed in error.

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions

of Law, and for the reasons stated on the reco	rd, if any, finds that the Department
<ul> <li>□ acted in accordance with Department policy</li> <li>□ did not act in accordance with Department case.</li> <li>□ failed to satisfy its burden of showing that it</li> </ul>	policy when it closed claimant's FAP
policy when it .
