DEPARTMENT OF HUMAN SERVICES**

IN THE MATTER OF:

[REDACTED]

Reg. No.: 2014-2812
Issue No.: 3005
Case No.: [REDACTED]
Hearing Date: January 7, 2014
County: Ingham DHS

ADMINISTRATIVE LAW JUDGE: Landis Y. Lain

HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 upon the Department of Human Services (Department) request for a hearing. After due notice, a telephone hearing was held on January 7, 2014 from Lansing, Michigan. The Department was represented by [REDACTED], Regulation Agent, of the Office of Inspector General (OIG). Respondent did not appear at the hearing and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

Whether Respondent committed an Intentional Program Violation (IPV) and received an over-issuance (OI) Food Assistance Program (FAP) benefits that the Department is entitled to recoup?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request to establish an OI of benefits received by Respondent as a result of Respondent having received concurrent program benefits in two different states and, as such, allegedly committed an IPV.
2. The OIG has requested that Respondent be disqualified from receiving program benefits.

3. Respondent filed application(s) with the Department on March 12, 2012, acknowledging that she/he understood his/her rights and responsibilities to report changes in household circumstances.
4. Respondent used his/her Michigan EBT card out of state in a state of [REDACTED] from April 1, 2012 to June 30, 2013. Respondent also received concurrent benefits in [REDACTED] and in [REDACTED]
5. Respondent received FAP benefits from the State of [REDACTED] concurrently with Michigan from April 2012 through July 2012.
6. Respondent did acknowledge on her/his application that s/he planned to stay in Michigan.
7. Respondent had no apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
8. Respondent received a FAP over-issuance in the amount of \$ [REDACTED] for the time period of April 1, 2012 to June 30, 2013 because he used the benefits exclusively out of the State of Michigan and was receiving FAP benefits in both [REDACTED] and [REDACTED]
9. Respondent received an over-issuance of MA benefits in the amount of \$ [REDACTED] from April 1, 2012 to June 30, 2013
10. This was Respondent's first IPV.
11. A notice of hearing was mailed to Respondent at the last known address, and was not returned by the US Post Office as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3001 through Rule 400.3015.

When a client group receives more benefits than they are entitled to receive, DHS must attempt to recoup the OI. BAM 700.

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information or intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill their reporting responsibilities.

IPV is suspected when there is clear and convincing evidence that the client has intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720.

The Department's OIG requests IPV hearings for cases when:

- benefit over-issuance are not forwarded to the prosecutor.
- prosecution of welfare fraud is declined by the prosecutor for a reason other than lack of evidence, and
- the total over-issuance amount is \$ [REDACTED] or more, or
- the total over-issuance amount is less than \$1000, and
 - the group has a previous intentional program violation, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance,
 - the alleged fraud is committed by a state/government employee.

A court or hearing decision that finds a client committed IPV disqualifies that client from receiving program benefits. A disqualified recipient remains a member of an active group as long as he lives with them. Other eligible group members may continue to receive benefits. BAM 720.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the over-issuance relates to MA. Refusal to repay will not cause denial of current or future MA if the client is otherwise eligible. BAM 710. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a concurrent receipt of benefits. BAM 720.

In the instant case, the Department OIG has established that the Respondent received an over-issuance of FAP benefits in the amount of \$ [REDACTED] for the period of April 1, 2012 to June 30, 2013. The Department OIG has also established that Respondent failed to use Food Assistance Program benefits in the State of Michigan and received Food Assistance Program benefits concurrently from both [REDACTED] and [REDACTED] resulting in an over-issuance of Food Assistance Program benefits. The Department OIG has established by the necessary competent, substantial and material evidence on the record that claimant committed an Intentional Program Violation for the Food Assistance Program for which Respondent must be disqualified.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, concludes that:

1. Respondent did commit an IPV.
2. Respondent did receive an OI of program benefits in the amount of \$ [REDACTED] from the Food Assistance Program.

The Department is ORDERED to initiate recoupment procedures for the amount of \$ [REDACTED] for Food Assistance Program in accordance with Department policy.

It is FURTHER ORDERED that Respondent be personally disqualified from participation in the Food Assistance Program for ten years because s/he received concurrent benefits in both [REDACTED] and [REDACTED]. This disqualification period shall begin immediately as of the date of this Order.
