ISSUE

Did the Department properly close Claimant's Food Assistance Program (FAP) case and remove her from her Medical Assistance(MA) case?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On November 14, 2013, the Department sent Claimant a new hire client notice requesting information concerning Claimant's income at ██████████.
2. On November 14, 2013, the Department sent Claimant a new hire notice requesting information concerning the claimant's income at ██████████
3. On November 21, 2013, the Department sent Claimant a wage match client notice requesting documentation of Claimant's income from ██████████
4. On November 26, 2013, the Department sent Claimant a notice of case action informing her that her MA and FAP were closed effective January 1, 2014.

5. On November 25, 2013, Claimant requested a hearing to protest the negative action taken by the Department.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), Department of Human Services Reference Tables Manual (RFT), and Department of Human Services Emergency Relief Manual (ERM).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food Stamp Act of 1977, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 271.1 to 285.5. The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10 and Mich Admin Code, R 400.3001 to .3015.

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act, 42 USC 1396-1396w-5, and is implemented by 42 CFR 400.200 to 1008.59. The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10 and MCL 400.105.

At the hearing, Claimant testified that all of the notices including the notice of case action were not addressed correctly, in that, she lives in a manufactured housing development that included the lot number upon which her manufactured home rests.

Claimant also testified that she responded to the requests for documentation but that her response was that she never worked for the companies in question.

The only document in the file provided by the Department for this hearing that includes Claimant's lot number is the notice of hearing.

During the hearing, Claimant testified that she received all of the requests for information from the Department late because they had all been misaddressed. Claimant further testified that she received information concerning the notices from another Departmental worker and attempted to respond to them even before she received the misaddressed requests for information from the Department.

The Department agreed that it had received communication from Claimant but that the forms sent with the Department's notices were not returned to the Department and that Claimant responded in the form of a letter to the Department.

The Department cannot expect Claimant to respond to misaddressed requests for information.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department

- acted in accordance with Department policy when it .
- did not act in accordance with Department policy when it removed Claimant from her MA case and closed her FAP case.
- failed to satisfy its burden of showing that it acted in accordance with Department policy when it .
