ISSUE

Did the Department properly calculate the MA deductible and deny the community spouse allowance?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On December 7, 2013. The Department issued a Notice of Case action and a Community Spouse and Family Income Allowance Record showing that the Community Spouse Income Allowance would be \$0.00 beginning January 1, 2014.
2. The Notice was sent care of , and she received it. testified that she did not realize that the community spouse allowance was zero for January and paid her father the money from her mother's account in January.
3. The worker who testified was not the worker assigned to the case when the decision at issue was made.
4. The worker who testified did not know what the worker considered in determining the budget, which may have been something from a previous year.

5. Claimant requested a hearing on January 14, 2014.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), Department of Human Services Reference Tables Manual (RFT), and Department of Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act, 42 USC 1396-1396w-5, and is implemented by 42 CFR 400.200 to 1008.59. The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10 and MCL 400.105.

Additionally, the Department did not meet its burden of proof because it did not know where the income numbers used in the budget came from or understand what the other worker had done. The decision must be reversed for the Department to recalculate benefits.

██████ testified that the Department should have to pay the community spouse allowance because she paid it to her father in January. The Administrative Law Judge lacks equitable powers, and the Department provided adequate notice.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department

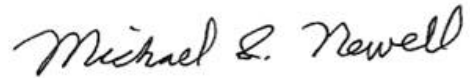

did not act in accordance with Department policy
