The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act, 42 USC 1396-1396w-5, and is implemented by 42 CFR 400.200 to 1008.59. The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10 and MCL 400.105.

The Adult Medical Program (AMP) is established by 42 USC 1315 and is administered by the Department pursuant to MCL 400.10.

The State Disability Assistance (SDA) program is established by the Social Welfare Act, MCL 400.1-.119b. The Department of Human Services (formerly known as the Family Independence Agency) administers the SDA program pursuant to MCL 400.10 and Mich Admin Code, R 400.3151-.3180.

The program is implemented by 45 CFR 98.1-99.33. The Department administers the program pursuant to MCL 400.10 and provides services to adults and children pursuant to MCL 400.14(1) and Mich Admin Code, R 400.5001-.5020.

The State Emergency Relief (SER) program is established by the Social Welfare Act, MCL 400.1-.119b. The SER program is administered by the Department (formerly known as the Family Independence Agency) pursuant to MCL 400.10 and by Mich Admin Code, R 400.7001 through R 400.7049.

Additionally, Claimant testified that he was not challenging any issues with the Department's FAP budget other than that he wanted the Department to consider medical expenses into his FAP budget as explained during the hearing, the

Administrative Law Judge's jurisdiction to assess the FAP allotment does not extend back more than 90 days before Claimant's hearing request. Claimant did not wish to challenge his benefits from October or November because he received the maximum allowed benefit rate for those months. Thus, no matter his expenses, the amount for those months could not be increased. Claimant alleged that his January benefits did not properly account for his January medical expenses. However, Claimant testified that the medical expenses that he incurred in January were not submitted to the Department until after he filed his hearing request. It was explained during the hearing could submit January and February medical expenses, which *could* potentially result in an award of supplemental benefits. Whether this would lead to a supplement and the amount of such supplement would be a matter for the Department to address based on information as it is provided, and the Administrative Law Judge expresses no opinion on the matter. Because the Department would not have had these expenses when it issued the decision, the Administrative law judge finds that the Department acted in accordance with policy when it issued the decision at issue.

Claimant's request to withdraw his hearing request at the end of the hearing was denied because the evidence was already taken, a written decision explaining the process would be helpful in resolving the matter, and it was not clear whether the withdraw was a knowing withdrawal request.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department

- acted in accordance with Department policy when it determined Claimant's FAP allotment..
- did not act in accordance with Department policy when it .
- failed to satisfy its burden of showing that it acted in accordance with Department policy when it .

DECISION AND ORDER

Accordingly, the Department's decision is

AFFIRMED.
