CONCLUSIONS OF LAW

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), and Department of Human Services Reference Tables Manual (RFT).

The State SSI Payments (SSP) program is established by 20 CFR 416.2001-.2099 and the Social Security Act, 42 USC 1382e. The Department administers the program pursuant to MCL 400.10.

After opening the record, the Department admitted error in the current case, and stated affirmatively that steps had been taken to correct the action taken with regards to claimant's benefit case. Therefore, no other findings are necessary.

In the current case, the Department testified claimant's SSP was not in danger of closing, and supplemental benefits had been issued in order to correct the action take with regard to claimant's current benefits case. The Department provided evidence that showed the action in question had been corrected, and claimant admitted that all benefits had been received, though not necessarily in a timely manner. While claimant aired other grievances, these grievances were not related to the action in question, and alleged tortious actions by the Department; complaints regarding equitable damages are not properly heard in the Administrative Hearing System, whose jurisdiction is necessarily limited to actions with regard to whether the Department has properly taken an action, and no more. BAM 600.

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department

acted in accordance with Department policy when it restored claimant's SSP benefits and corrected a previous mistake.

DECISION AND ORDER

Accordingly, the Department's decision is

AFFIRMED.
