The Department's OIG requests IPV hearings for the following cases:

- FAP trafficking Ols that are not forwarded to the prosecutor,
- prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - the total OI amount for the FIP, SDA, CDC, MA and FAP programs is \$ or more, or
 - the total OI amount is less than \$ and
 - > the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - ➤ the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - > the alleged fraud is committed by a state/government employee.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The Respondent intentionally failed to report information or intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The Respondent was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The Respondent has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700, p. 6; BAM 720, p. 1.

An IPV is also suspected for a Respondent who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the Respondent has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

Disqualification

A court or hearing decision that finds a Respondent committed IPV disqualifies that Respondent from receiving program benefits. BAM 720, p. 12. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 13.

Respondents who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. BAM 720, p. 13. Refusal to repay will not cause denial of current or future MA if the Respondent is otherwise eligible. BAM 710, p. 2. Respondents are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p. 16.

Over-issuance

When a Respondent group receives more benefits than they are entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1.

The Respondent failed to report his/her change in residency from the State of Michigan to the Department, which resulted in his/her receiving an over-issuance of FAP benefits of \$ \$\text{that the Department is required to recoup. Department Exhibit 11-80.}
