Reg. No.: 2014-25270  
Issue No(s): 2004  
Case No.: ██████████  
Hearing Date: April 2, 2014  
County: Wayne (35)

**ADMINISTRATIVE LAW JUDGE:** Eric Feldman

**HEARING DECISION**

Following Claimant's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 45 CFR 99.1 to 99.33; and 45 CFR 205.10. After due notice, a three-way telephone hearing was held on April 2, 2014, from Detroit, Michigan. Participants on behalf of Claimant included Claimant's Authorized Hearing Representative (AHR), ██████████. Participants on behalf of the Department of Human Services (Department or DHS) included ██████████ Hearings Coordinator.

**ISSUE**

Did the Department properly process Claimant's Medical Assistance (MA) application dated November 7, 2013 and retroactive coverage from August 2013?

**FINDINGS OF FACT**

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On November 7, 2013, Claimant applied for MA benefits and sought retroactive coverage from August 2013.
2. The Department failed to properly process Claimant's MA application/retroactive coverage.
3. On January 30, 2014, Claimant's AHR filed a hearing request, protesting the Department's failure to process the application. See Exhibit A.

## **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), Department of Human Services Reference Tables Manual (RFT), and Department of Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act, 42 USC 1396-1396w-5, and is implemented by 42 CFR 400.200 to 1008.59. The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10 and MCL 400.105.

The Department determines eligibility and benefit amounts for all requested programs. BAM 105 (October 2013), p. 14.

Any person, regardless of age, or their authorized representative (AR) may apply for assistance. BAM 110 (July 2013), p. 4. The Department must register a signed application or filing form, with the minimum information, within one workday for all requested programs. BAM 110, p. 19.

The standard of promptness (SOP) begins the date the department receives an application/filing form, with minimum required information. BAM 115 (July 2013), p. 15. For MA applications, the Department certifies the program approval or denial of the application within 45 days. BAM 115, p. 15. However, there are exceptions to these benefits programs for processing times, which are described as follows: 90 days for MA categories in which disability is an eligibility factor. BAM 115, pp. 15-16. The SOP can be extended 60 days from the date of deferral by the Medical Review Team (MRT). BAM 115, p. 16.

Moreover, if the group is ineligible or refuses to cooperate in the application process, the Department must certify the denial within the standard of promptness and also send a DHS-1605, Client Notice, or the DHS-1150, Application Eligibility Notice, with the denial reason(s). BAM 115, p. 23. If approved, the Department sends the DHS-1605 detailing the approval at certification of program opening. BAM 115, p. 23.

In this case, on November 7, 2013, Claimant applied for MA benefits and sought retroactive coverage from August 2013. The AHR's request for hearing stated that MA coverage was found effective for November 1, 2013; however, no coverage was discovered for the retroactive months (August, September, and October 2013). See Exhibit A. Moreover, the AHR's request for hearing stated that it did not receive an eligibility notice for the application. See Exhibit A.

At the hearing, the Department testified that it approved MA coverage for November 1, 2013. See Exhibit 1. However, the Department testified that it appeared to improperly process the application. The Department testified that Claimant's MA application was for disability (the AHR did not dispute and acknowledged it was a disability application) and that the retro months are currently pending a decision by the MRT. Thus, it appears that the Department first processed the application as an MA application and then subsequently processed it as a disability application.

Based on the foregoing information and evidence, the Department failed to properly process the MA application dated November 7, 2013 and retroactive application dating back to August 2013 in accordance with Department policy. At first, the Department appeared to process Claimant's MA application and only approved the benefits from November 2013, however, failed to properly process the retro months. Moreover, it was discovered that the retro months are currently pending with the MRT as Claimant's application was for disability. As such, the evidence presented that the Department erred in processing Claimant's MA application and retro coverage in accordance with Department policy. The Department will reprocess Claimant's MA application dated November 7, 2013 and MA retro request from August 2013. BAM 105, p. 14; BAM 110, pp. 4 and 19; and BAM 115, p. 15, 16 and 23.

### **DECISION AND ORDER**

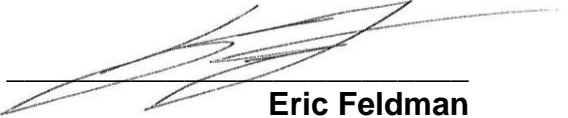

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department did not act in accordance with Department policy when it failed to properly process Claimant's MA application dated November 7, 2013 and retroactive application from August 2013.

Accordingly, the Department's MA decision is REVERSED.

THE DEPARTMENT IS ORDERED TO BEGIN DOING THE FOLLOWING, IN ACCORDANCE WITH DEPARTMENT POLICY AND CONSISTENT WITH THIS HEARING DECISION, WITHIN 10 DAYS OF THE DATE OF MAILING OF THIS DECISION AND ORDER:

1. Initiate re-registration and processing of Claimant's MA application dated November 7, 2013, retroactive to August 2013, ongoing;
2. Begin issuing supplements to Claimant for any MA benefits she was eligible to receive but did not from August 2013, ongoing; and

3. Begin notifying Claimant and Claimant's AHR in writing of its MA decision in accordance with Department policy.
