2. On February 1, 2014, the Department denied Claimant's application closed Claimant's case due to failure to complete the redetermination process.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), and Department of Human Services Reference Tables Manual (RFT).

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act, 42 USC 1396-1396w-5, and is implemented by 42 CFR 400.200 to 1008.59. The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10 and MCL 400.105.

An MA case will close if a redetermination is not completed. BAM 210.

The Department argued that claimant failed to complete the redetermination process.

Claimant argued that they never received the redetermination paperwork.

Claimant testified that she never received the paperwork in question and has had trouble receiving mail from the Department in the past. The undersigned finds the claimant credible due to the lack of rebuttal from the Department (claimant's caseworker during this dispute did not attend the hearing), and a lack of first hand testimony as to whether the paperwork in question was actually sent to the claimant.

As such, the Administrative Law Judge finds that the Department failed to correctly send claimant the redetermination paperwork in question, and was in error when it closed claimant's benefit case without giving claimant a chance to respond to the redetermination.

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department

- acted in accordance with Department policy when it .
- did not act in accordance with Department policy when it closed claimant's benefit case.
- failed to satisfy its burden of showing that it acted in accordance with Department policy when it .
