This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 and in accordance with 7 CFR 273.16 and Mich Admin Code, Rule 400.3130 upon the Department of Human Services' (Department) request for a hearing. After due notice, a telephone hearing was held on April 1, 2014 from Lansing, Michigan. The Department was represented by [REDACTED] of the Office of Inspector General (OIG). Respondent did not appear at the hearing and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3187(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) benefits that the Department is entitled to recoup?
2. Did Respondent commit an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving Food Assistance Program (FAP)?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on February 20, 2014 to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG has requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP benefits during the period of October 1, 2010 through March 31, 2013.

4. Respondent was aware that it was unlawful to use, transfer, acquire, alter, purchase, possess, or present for redemption or transport food stamps or coupons or access devices other than authorized by law.
5. Respondent had no apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period they are considering the fraud period is October 1, 2010 through March 31, 2013 (fraud period).
7. During the alleged fraud period, Respondent is alleged to have trafficked \$ [REDACTED] in FAP benefits.
8. The Department alleges that Respondent received an OI of FAP program in the amount of \$ [REDACTED]
9. This was Respondent's first IPV.
10. A notice of hearing was mailed to Respondent at the last known address and was not returned by the US Post Office as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), and the Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, *et seq.*, and 1999 AC, Rule 400.3001 through Rule 400.3015.

An Intentional Program Violation (IPV) is a benefit overissuance (OI) resulting from the willful withholding of information or other violation of law or regulation by the client or his/her authorized representative. See Bridges Program Glossary (BPG) at page 24. When a client group receives more benefits than they are entitled to receive, the Department must attempt to recoup the OI. BAM 700 (2012).

An IPV is suspected for a client who is alleged to have trafficked or is trafficking FAP benefits. BAM 720. "Trafficking" is the buying or selling of FAP benefits for cash or consideration other than eligible food. BAM 700. A person is disqualified from FAP when an administrative hearing decision, a repayment and disqualification agreement or court decision determines FAP benefits were trafficked. BAM 203. These FAP trafficking disqualifications are a result of: (1) fraudulently using, transferring, altering, acquiring, or possessing coupons, authorization cards, or access devices; or (2) redeeming or presenting for payment coupons known to be fraudulently obtained or transferred. BEM 203.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period. BAM 720. Clients are disqualified for periods of 1 (one) year for the first IPV, 2 (two) years for the second IPV, a lifetime disqualification for the third IPV, and 10 (ten) years for a concurrent receipt of benefits. BAM 720. If the court does not address disqualification in its order, the standard period applies. BAM 720.

In the present case, the record shows that the [REDACTED], [REDACTED] and [REDACTED] were both engaged in "the buying or selling of FAP benefits for cash or consideration other than eligible food" as defined by BAM 700. The evidence showed that during the fraud period both entities were small gas station/convenience stores with limited eligible food stock items that was not equipped with an optical scanner, bags, boxes, baskets or carts for patrons to carry out eligible food items. The evidence also showed that patrons of the stores exchanged Electronic Benefit Transfer (EBT) cards for ineligible items such as: cigarettes, clothing, gas, toiletries and even a microwave oven. In addition, the evidence shows that the stores did not have sufficient eligible food items to support high dollar transactions.

Respondent's signature on the Assistance Application in this record certifies that he was aware that fraudulent participation in FAP could result in criminal or civil or administrative claims. The Department has established that Respondent fraudulently used, transferred, altered, acquired, or possessed coupons, authorization cards, or access devices. The evidence in this record revealed that during the fraud period Respondent's EBT card was used at the stores and that engaged in multiple high dollar purchases that were excessive for those stores. Plus, Respondent made multiple purchases in a short time period. This is evidenced by the store size, inventory, as well as by the frequency and amount of (EBT) FAP card usage history of transactions issued to Respondent. Respondent's intent can be inferred through circumstantial evidence. Respondent had no apparent physical or mental impairment that limits his understanding or ability to fulfill these reporting responsibilities.

This Administrative Law Judge therefore concludes that the Department has shown, by clear and convincing evidence, that Respondent committed an intentional violation of the FAP program resulting in a total \$ [REDACTED] overissuance. This is Respondent's first FAP IPV. Consequently, the Department's request for FAP program disqualification and full restitution must be granted.

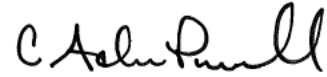

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, concludes that:

1. Respondent did commit an IPV.
2. Respondent did receive an OI of program benefits in the amount of \$ [REDACTED] from FAP.

The Department is ORDERED to initiate recoupment procedures for the amount of \$ [REDACTED] in accordance with Department policy.

It is FURTHER ORDERED that Respondent be disqualified from FAP for a period of 12 months.
