CONCLUSIONS OF LAW

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), Department of Human Services Reference Tables Manual (RFT), and Department of Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act, 42 USC 1396-1396w-5, and is implemented by 42 CFR 400.200 to 1008.59. The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10 and MCL 400.105.

The Department is to determine the alien status of each non-citizen requesting benefits at application, member addition, redetermination and when a change is reported. BEM 225 (7-1-2013) p. 1

Citizenship/alien status is not an eligibility factor for emergency services only (ESO) MA. To be eligible for full MA coverage a person must be a U.S. citizen or an alien admitted to the U.S. under a specific immigration status. BEM 225 p.2.

U.S. citizenship must be verified with an acceptable document to continue to receive Medicaid. The alien status of each non-citizen must be verified to be eligible for full MA coverage. BEM 225 p.2.

MA coverage is limited to emergency services for any: persons with certain alien statuses or U.S. entry dates as specified in policy; persons refusing to provide citizenship/alien status information on the application; persons unable or refusing to provide satisfactory verification of alien information. BEM 225 p. 3.

The coverage of a person who is unable to obtain verification of alien status or refuses to cooperate in obtaining it is limited to emergency services until verification is obtained. BEM 225 p. 21.

The policy addressing verification sources states that permanent resident alien status is indicated on one of the following: I-151 issued before June 1978 or I-551; I-327 (unexpired); I-94 stamped "Processed for I-551"; passport stamped "Processed for I-551 Temporary Evidence of Lawful Admission for Permanent Residence." BEM 225 p. 26.

Regarding the I-551, the policy states "I-551, Alien Registration Receipt Card (Resident Alien Card). It is a revised edition of the I-151, issued for a renewable 10-year period to permanent resident aliens. The expiration date is on the document face." BEM 225 p. 35.

In this case, a MA application was filed for the Claimant on November 5, 2013. On November 5, 2013, a Verification Checklist was issued stating what verifications, including proof of alien/immigration status, were needed by the November 15, 2013 due

date. It was uncontested that a copy of an expired Permanent Resident Alien card for Claimant was provided to the Department by the due date. The Permanent Resident Alien card had expired on April 7, 2011. (Exhibit A, page 4)

The Social Worker provided credible testimony regarding the Claimant's fragile health status and the attempts being made to renew his Permanent Resident Alien card. In part, there is an issue with fingerprinting because Claimant is in hospice unable to leave the facility and he has severe contractures of his hands. It was also noted that without full Medicaid coverage necessary Medicaid-covered services Claimant has been receiving would stop, including remaining in the facility.

The BEM 225 policy is clear, verification of citizenship/alien status is required at application. The emails with the MA-policy unit indicate that even though the Department understands immigration status does not expire on the date the card expires, Claimant is now considered undocumented because there is no current, non-expired verification of his status. This is consistent with the above cited BEM 225 policy provisions. The BEM 225 policy directs that when a person is unable to obtain verification of alien status Medicaid coverage is limited to Emergency Services Only until verification is obtained. While this ALJ sympathizes with Claimant's circumstances, the Department's determination to approve Emergency Services Only Medicaid was in accordance with the BEM 225 policy.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it determined MA eligibility for Claimant.
