Participants on behalf of the Department of Human Services (Department) included

ISSUE

Whether the Department of Human Services (Department) properly sanctioned the Claimant's Family Independence Program (FIP) case for noncompliance with employment and/or self-sufficiency related activities?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

- 1. The Claimant was an ongoing Family Independence Program (FIP) recipient until April 1, 2014.
- 2. The Department referred the Claimant to the Partnership Accountability Training Hope (PATH) program as a condition of receiving FIP benefits.
- 3. The Claimant was noncompliant with the PATH program when he failed to attend an orientation scheduled for February 18, 2014.
- 4. The Department conducted a triage meeting on March 18, 2014.

- 5. On March 12, 2014, the Department notified the Claimant that it would sanction FIP benefits as of April 1, 2014.
- 6. The Department received the Claimant's request for a hearing on March 21, 2014, protesting the sanctioning of his FIP benefits.

CONCLUSIONS OF LAW

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, PL 104-193, and 42 USC 601 to 679c. The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10 and 400.57a and Mich Admin Code, R 400.3101 to .3131.

Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), Reference Table Manual (RFT), and the Bridges Reference Manual (BRM).

Federal and state laws require each work eligible individual (WEI) in the FIP group to participate in Partnership. Accountability. Training. Hope. (PATH) or other employment-related activity unless temporarily deferred or engaged in activities that meet participation requirements. These clients must participate in employment and/or self-sufficiency related activities to increase their employability and obtain employment. PATH is administered by the Workforce Development Agency, State of Michigan through the Michigan one-stop service centers. PATH serves employers and job seekers for employers to have skilled workers and job seekers to obtain jobs that provide economic self-sufficiency. PATH case managers use the One-Stop Management Information System (OSMIS) to record the clients' assigned activities and participation. Department of Human Services Bridges Eligibility Manual (BEM) 230A (October 1, 2013), p 1.

Noncompliance of applicants, recipients, or member adds means doing any of the following without good cause:

- Failing or refusing to:
 - Appear and participate with PATH or other employment service provider.
 - Provide legitimate documentation of work participation.
 - Appear for a scheduled appointment or meeting related to assigned activities.
 - Participate in employment and/or self-sufficiency-related activities.
 - Participate in required activity.

 Department of Human Services Bridges Eligibility Manual (BEM) 233A (July 1, 2013), pp 2-3.

Good cause is a valid reason for noncompliance with employment and/ or selfsufficiency related activities that are based on factors that are beyond the control of the noncompliant person. A claim of good cause must be verified and documented for member adds and recipients. BEM 233A, pp 3-4.

Good cause should be determined based on the best information available during the triage and prior to the negative action date. Good cause may be verified by information already on file with DHS or MWA. Good cause must be considered even if the client does not attend, with particular attention to possible disabilities (including disabilities that have not been diagnosed or identified by the client) and unmet needs for accommodation. BEM 233A.

The penalty for noncompliance without good cause is FIP EDG closure. Effective October 1, 2011, the following minimum penalties apply:

- For the individual's first occurrence of noncompliance, Bridges closes the FIP EDG for not less than three calendar months.
- For the individual's second occurrence of noncompliance, Bridges closes the FIP EDG for not less than six calendar months.
- For the individual's third occurrence of noncompliance, Bridges closes the FIP EDG for a lifetime sanction. BEM 233A.

A noncompliant person must serve a minimum one-month or six-month Food Assistance Program (FAP) disqualification period unless one of the criteria for ending a disqualification early exists. Department of Human Services Bridges Eligibility Manual (BEM) 233B (July 1, 2013), p 10.

If the Claimant had not received notice of the February 18, 2014, appointment, this could have been considered good cause for the Claimant's failure to attend. The Department established that it notified the Claimant of the March 18, 2014, triage meeting where he had to opportunity to present his reasons for his failure to attend the February 18, 2014, appointment. Since the Claimant failed to attend the March 18, 2014, meeting, the Department had no reason to know why the Claimant failed to attend the February 18, 2014, appointment. Therefore, the Department had no information available to find that the Claimant had good cause for his noncompliance.

If a participant is active FIP and FAP at the time of FIP noncompliance, determination of FAP good cause is based on the FIP good cause reasons outlined in BEM 233A. For the FAP determination, if the client does not meet one of the FIP good cause reasons, determine the FAP disqualification based on FIP deferral criteria only as outlined in BEM 230A, or the FAP deferral reason of care of a child under 6 or education.

Department of Human Services Bridges Eligibility Manual (BEM) 233B (July 1, 2013), p 2.

In this case, the Claimant was an ongoing Family Independence Program (FIP) recipient until April 1, 2014, and the Department had referred him to the PATH program as a condition of receiving FIP benefits. The Claimant was noncompliant with the PATH program when he failed to attend an appointment on February 18, 2014. The Department conducted a triage meeting on March 18, 2014, where the Claimant was given the opportunity to establish good cause for noncompliance with the PATH program. Notice of the triage meeting was sent to the Claimant at his correct address of record. The Claimant did not attend the triage meeting, and the Department did not find good cause. On March 12, 2014, the Department notified the Claimant that it would sanction his Family Independence Program (FIP) benefits as of April 1, 2014.

The Claimant argued that he did not attend the February 18, 2014, appointment because he did know about the appointment and did not receive notice of the requirement to attend it.

Based on the evidence and testimony available during the hearing, the Department's determination that the Claimant did not have good cause for his noncompliance with the PATH program is reasonable. The Department has established that it acted properly when it sanctioned the Claimant's FIP benefits for noncompliance with self-sufficiency related activities.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the Department acted in accordance with policy when it sanctioned the Claimant's Family Independence Program (FIP) and Food Assistance Program (FAP) benefits for noncompliance with the Partnership. Accountability Training. Hope. (PATH) program.

The Department's FIP sanction is **AFFIRMED**. It is SO ORDERED.
