ADMINISTRATIVE LAW JUDGE: Robert J. Chavez							
HEARING DECISION							
Following Claimant's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 45 CFR 99.1 to 99.33; and 45 CFR 205.10. After due notice, a telephone hearing was held on January 15, 2014, from Detroit, Michigan. Participants on behalf of Claimant included Participants on behalf of the Department of Human Services (Department) included , ES and , FIM.							
<u>ISSUE</u>							
Did the Department properly $\square$ deny Claimant's application $\boxtimes$ close Claimant's case for:							
☐ Family Independence Program (FIP)? ☐ Food Assistance Program (FAP)? ☐ Medical Assistance (MA)? ☐ Adult Medical Assistance (AMP)? ☐	State Disability Assistance (SDA)? Child Development and Care (CDC)? Direct Support Services (DSS)? State SSI Payments (SSP)?						
FINDINGS OF FACT							
The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:							
Claimant ☐ applied for ☒ received: ☐ FIP ☐ FAP ☐ MA ☒ AMP ☐ benefits.	SDA CDC	□DSS □SSP					
2. On, the Department	osed Claimant's c	ase					

☐ Direct Support Services (DSS) is established by the Social Welfare Act, MCL 400.1119b. The program is administered by the Department pursuant to MCL 400.10 and 400.57a and Mich Admin Code R 400.3603.
☐ The State SSI Payments (SSP) program is established by 20 CFR 416.20012099 and the Social Security Act, 42 USC 1382e. The Department administers the program pursuant to MCL 400.10.
Benefits stop at the end of the benefit period unless a redetermination is completed and a new benefit period is certified. BAM 210, pg 2.
The Department argued that claimant was required complete a redetermination by Claimant allegedly failed to complete the redetermination and his AMP benefits closed when the certification period ended.
The Department showed that the redetermination was sent properly and the testimony at hearing supported the contention that claimant received the redetermination paperwork. Claimant received all notices indicating that his case was pended to close absent a completed redetermination.
Therefore, it is incumbent on claimant to show that the documents in question were turned in, or that some action of the Department prevented him from completing the redetermination. Unfortunately, claimant has failed to satisfy his burden of proof.
Claimant alleged that all required paperwork was submitted before the end of his certification period. However, all documentation in the file is stamped with a received date of . Claimant did not mail the documentation, and thus get a postmark, nor did claimant sign the logbook at the Department to record the exact date that he dropped the documentation off. Claimant had no other evidence that proved his contention.
As such, because there was no rebuttal evidence offered, the undersigned must make a decision as to the best evidence; in this case, that evidence is a date stamp used by the Department to routinely stamp received documentation when it arrives. As this stamp shows an arrival date of that this is incorrect, the Administrative Law Judge holds that the redetermination was not completed unti
As claimant has provided no evidence that his redetermination was completed before

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department

the closure date, the undersigned must hold that the Department properly closed

claimant's AMP case at the end of his certification period.
