ADMINISTRATIVE LAW JUDGE: Michael J. Bennane

HEARING DECISION

Following Claimant's request for a hearing, this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 400.37; 7 CFR 273.15 to 273.18; 42 CFR 431.200 to 431.250; 45 CFR 99.1 to 99.33; and 45 CFR 205.10. Participants on behalf of the Department of Human Services (Department) included ██████████

ISSUE

Did the Department properly close Claimant's Adult Medical Program (AMP) case?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On October 9, 2013, the Department sent Claimant a notice of case action informing him that it was about to close his AMP benefits case.
2. October 17, 2013, Claimant requested a hearing to protest the Department's closure of his AMP benefits case.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), Department of Human Services Reference Tables Manual (RFT), and Department of Human Services Emergency Relief Manual (ERM).

The Adult Medical Program (AMP) is established by 42 USC 1315 and is administered by the Department pursuant to MCL 400.10.

The Department testified at the hearing that it closed Claimant's AMP case due to his failure to complete a redetermination packet and return it to the Department in a timely fashion.

The Department failed to include a copy of its notice of case action or its redetermination packet it states was sent to Claimant. It can be assumed that the notice of case action was sent to Claimant since he utilized the request for a hearing form that is included and dated in a notice of case action.

Failure of the Department to provide a copy of the redetermination it claims it mailed to Claimant makes it impossible for this Administrative Law Judge to discern when and to whom the redetermination packet was sent. BAM 130 (July 2013).

Therefore, the Department failed to make its case that Claimant had failed to provide verifications to the Department.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department

- acted in accordance with Department policy when it .
- did not act in accordance with Department policy when it .
- failed to satisfy its burden of showing that it acted in accordance with Department policy when it failed to provide a copy of the redetermination form it sent to Claimant.
