ISSUE

Whether the Department of Human Services (Department) properly closed the Claimant's State Supplemental Security Income (SSI) supplemental benefits?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. The Claimant was an ongoing State Supplemental Security Income (SSI) recipient.
2. The Claimant's Supplemental Security Income (SSI) benefits closed because the Social Security Administration determined that she has less than 40 credits of earnings.
3. On November 19, 2013, the Department notified her that it would terminate her State Supplemental Security Income (SSI) benefits.
4. The Department received the Claimant's request for a hearing on January 7, 2014, protesting the termination of her State Supplemental Security Income (SSI) benefits.

CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act, 42 USC 1396-1396w-5, and is implemented by 42 CFR 400.200 to 1008.59. The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10 and MCL 400.105.

Supplemental Security Income (SSI) is a cash benefit to needy persons who are aged (at least 65), blind or disabled. It is a federal program administered by the Social Security Administration (SSA). States are allowed the option to supplement the federal benefit with state funds. In Michigan SSI benefits include a basic federal benefit and an additional amount paid with state funds. Payments are made for only those months the recipient received a regular first of the month federal benefit. Department of Human Services Bridges Eligibility Manual (BEM) 660 (July 1, 2013), p 1.

In this case, the Claimant was an ongoing State Supplemental Security Income (SSI) recipient. The Social Security Administration closed the Claimant's federal Supplemental Security Income (SSI) benefits case because it determined that she has less than 40 credits of earnings. Upon discovering the closure of her federal benefits, the Department notified the Claimant on November 19, 2013, that it would terminate her State Supplemental Security Income (SSI) benefits.

The Claimant does not dispute that her Supplemental Security Income (SSI) benefits were closed and it is beyond the jurisdiction to determine whether the acts of the Social Security Administration were proper.

However, this Administrative Law Judge finds that the Department was acting in accordance with BEM 660 when it terminated the Claimant's State Supplemental Security Income (SSI) benefits.

DECISION AND ORDER

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it closed the Claimant's State Supplemental Security Income (SSI) benefits.

Accordingly, the Department's decision is **AFFIRMED**.
