HEARING DECISION

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and MCL 400.37 following Claimant's request for a hearing. After due notice, a telephone hearing was held on March 20, 2014, from Lansing, Michigan. Participants on behalf of Claimant included [REDACTED] [REDACTED]. ISSUE

Whether the Department of Human Services (Department) properly sanctioned the Claimant's Family Independence Program (FIP) case for noncompliance with employment and/or self-sufficiency related activities?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. The Claimant was an ongoing Family Independence Program (FIP) recipient until March 1, 2014
2. The Department referred the Claimant to the Partnership Accountability Training Hope (PATH) program as a condition of receiving FIP benefits.
3. The Claimant was noncompliant when he submitted a job search contact log for the week of February 11, 2014, that had been falsified.
4. The Department conducted a triage meeting on February 20, 2014.
5. On February 13, 2014, the Department notified the Claimant that it would sanction his FIP benefits as of March 1, 2014.
6. The Department received the Claimant's request for a hearing on February 21, 2014, protesting the sanctioning of his FIP benefits.

CONCLUSIONS OF LAW

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, PL 104-193, and 42 USC 601 to 679c. The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10 and 400.57a and Mich Admin Code, R 400.3101 to .3131.

Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM), Reference Table Manual (RFT), and the Bridges Reference Manual (BRM).

Federal and state laws require each work eligible individual (WEI) in the FIP group to participate in Partnership. Accountability. Training. Hope. (PATH) or other employment-related activity unless temporarily deferred or engaged in activities that meet participation requirements. These clients must participate in employment and/or self-sufficiency related activities to increase their employability and obtain employment. PATH is administered by the Workforce Development Agency, State of Michigan through the Michigan one-stop service centers. PATH serves employers and job seekers for employers to have skilled workers and job seekers to obtain jobs that provide economic self-sufficiency. PATH case managers use the One-Stop Management Information System (OSMIS) to record the clients' assigned activities and participation. Department of Human Services Bridges Eligibility Manual (BEM) 230A (October 1, 2013), p 1.

Noncompliance of applicants, recipients, or member adds means doing any of the following without good cause:

- Failing or refusing to:
 - Provide legitimate documentation of work participation.
 - Participate in employment and/or self-sufficiency-related activities.
 - Participate in required activity.
 - Department of Human Services Bridges Eligibility Manual (BEM) 233A (July 1, 2013), pp 2-3.

Good cause is a valid reason for noncompliance with employment and/ or self-sufficiency related activities that are based on factors that are beyond the control of the noncompliant person. A claim of good cause must be verified and documented for member adds and recipients. BEM 233A, pp 3-4.

Good cause should be determined based on the best information available during the triage and prior to the negative action date. Good cause may be verified by information already on file with DHS or MWA. Good cause must be considered even if the client does not attend, with particular attention to possible disabilities (including disabilities that have not been diagnosed or identified by the client) and unmet needs for accommodation. BEM 233A.

The penalty for noncompliance without good cause is FIP EDG closure. Effective October 1, 2011, the following minimum penalties apply:

- For the individual's first occurrence of noncompliance, Bridges closes the FIP EDG for not less than three calendar months.
- For the individual's second occurrence of noncompliance, Bridges closes the FIP EDG for not less than six calendar months.
- For the individual's third occurrence of noncompliance, Bridges closes the FIP EDG for a lifetime sanction. BEM 233A.

A noncompliant person must serve a minimum one-month or six-month Food Assistance Program (FAP) disqualification period unless one of the criteria for ending a disqualification early exists. Department of Human Services Bridges Eligibility Manual (BEM) 233B (July 1, 2013), p 10.

In this case, the Claimant was an ongoing Family Independence Program (FIP) recipient until March 1, 2014, and the Department had referred him to the PATH program as a condition of receiving FIP benefits. The Claimant was noncompliant with the PATH program when he submitted a job search contact log for the week of February 11, 2014, that had been falsified. Through collateral contacts, the Department discovered that the Claimant had not applied for employment at two of the business listed on his job search contact log, which the Department considered to be a falsification. The Department conducted a triage meeting on February 20, 2014, where the Claimant was given the opportunity to establish good cause for noncompliance with the PATH program. The Claimant participated in the triage meeting but the Department did not find good causes for his noncompliance. On February 13, 2014, the Department notified the Claimant that it would sanction his Family Independence Program (FIP) benefits as of March 1, 2014.

The Claimant argued that he did apply for employment as listed on his job search contact log.

The Claimant failed to present evidence other than his testimony supporting his claim that the log was not falsified and that he did apply for the jobs listed on the log.

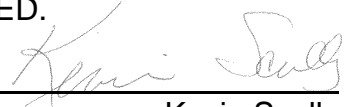

If a participant is active FIP and FAP at the time of FIP noncompliance, determination of FAP good cause is based on the FIP good cause reasons outlined in BEM 233A. For the FAP determination, if the client does not meet one of the FIP good cause reasons, determine the FAP disqualification based on FIP deferral criteria only as outlined in BEM 230A, or the FAP deferral reason of care of a child under 6 or education. Department of Human Services Bridges Eligibility Manual (BEM) 233B (July 1, 2013), p 2.

Based on the evidence and testimony available during the hearing, the Department's determination that the Claimant did not have good cause for his noncompliance with the PATH program is reasonable. The Department has established that it acted properly when it sanctioned the Claimant's FIP benefits for noncompliance with self-sufficiency related activities.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that the Department acted in accordance with policy when it sanctioned the Claimant's Family Independence Program (FIP) and Food Assistance Program (FAP) benefits for noncompliance with the Partnership. Accountability Training. Hope. (PATH) program.

The Department's FIP sanction is **AFFIRMED**. It is SO ORDERED.
