CONCLUSIONS OF LAW

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), and Department of Human Services Reference Tables Manual (RFT).

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act, 42 USC 1396-1396w-5, and is implemented by 42 CFR 400.200 to 1008.59. The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10 and MCL 400.105.

After opening the record, the Department admitted error in the current case, and stated affirmatively that steps were required to correct the action taken with regards to claimant's benefit case. Therefore, no other findings are necessary. The Department admitted that a full notice of case action did not appear to have been sent to claimant's authorized representative. Furthermore, claimant's hearing request was on a lack of a full notice of case action, and was not protesting the lack of disability finding by MRT.

In the current case, the Department testified that it must send a full notice of case action in order to correct the action take with regard to claimant's current benefits case. The Administrative Law Judge therefore holds that the Department must take the action stated. This decision in no way affects claimant's ability to request a hearing with regard to disability; claimant's time limit to request a hearing with regard to disability begins when claimant receives a complete notice of case action.

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department

- acted in accordance with Department policy when it .
 did not act in accordance with Department policy when it failed to send a notice of case action to claimant's authorized representative.
