ISSUE

Did the Department properly calculate Claimant's Medical Assistance (MA) deductible?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. Claimant received \$1,118.90 per month in unearned income.
2. Claimant's child received \$559.00 per month in unearned income.
3. Claimant had insurance premiums of \$104.90.
4. The Department determined that Claimant's MA deductible was \$349.00.
5. On October 18, 2013, Claimant filed a hearing request, protesting the amount of deductible.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), Department of Human Services Reference Tables Manual (RFT), and Department of Human Services Emergency Relief Manual (ERM).

The Medical Assistance (MA) program is established by the Title XIX of the Social Security Act, 42 USC 1396-1396w-5, and is implemented by 42 CFR 400.200 to 1008.59. The Department of Human Services (formerly known as the Family Independence Agency) administers the MA program pursuant to MCL 400.10 and MCL 400.105.

The goal of the Medicaid program is to ensure that essential health care services are made available to those who otherwise could not afford them. Medicaid is also known as Medical Assistance (MA). BEM105

The State of Michigan has set guidelines for income, which determine if an MA group is eligible. Income eligibility exists for the calendar month tested when:

- There is no excess income, **or**
- Allowable medical expenses equal or exceed the excess income (under the deductible guidelines.) BEM 545

Net income (countable income minus allowable income deductions) must be at, or below a certain income limit for eligibility to exist. BEM 105 Income eligibility exists when net income does not exceed the Group 2 needs in BEM 544. BEM 166. The protected income level is a set allowance for non-medical need items such as shelter, food and incidental expenses. RFT 240 lists the Group 2 MA protected income levels based on shelter area and fiscal group size. BEM 544. An eligible Medical Assistance group (Group II MA) has income the same as or less than the “protected income level” as set forth in the policy contained in the program reference table.

An individual or MA group whose income is in excess of the monthly protected income level is ineligible to receive MA. However, an MA group may become eligible for assistance under the deductible program. A deductible is a process which allows a client with excess income to be eligible for MA, if sufficient allowable medical expenses are incurred. Each calendar month is a separate deductible period. The fiscal group’s monthly excess income is called the deductible amount. Meeting a deductible means reporting and verifying allowable medical expenses that equal or exceed the deductible amount for the calendar month. The MA group must report expenses by the last day of the third month following the month it wants medical coverage. BEM 545; 42 CFR 435.831

The monthly protected income level for an MA fiscal group of one living in Wayne County is \$375.00 per month. RFT 200, 240

In the present case, Claimant's net income (\$724.10) exceeds the monthly protected income level (\$375.00) by \$349.00.00 per month. Claimant is consequently ineligible to receive medical assistance. However under the deductible program, if Claimant incurs medical expenses in excess of \$349.00 during the month, she may then be eligible for MA.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it calculated Claimant's MA deductible.
