ADMINISTRATIVE LAW JUDGE: Eric Feldman

HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, a telephone hearing was held on March 12, 2014 from Detroit, Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG).

Respondent did not appear at the hearing and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

ISSUES

1. Did Respondent receive an overissuance (OI) of
 Family Independence Program (FIP) State Disability Assistance (SDA)
 Food Assistance Program (FAP) Child Development and Care (CDC)
 Medical Assistance (MA)
benefits that the Department is entitled to recoup?
2. Did Respondent, by clear and convincing evidence, commit an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving
 Family Independence Program (FIP)? State Disability Assistance (SDA)?
 Food Assistance Program (FAP)? Child Development and Care (CDC)?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on December 2, 2013, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG has has not requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FIP FAP SDA CDC MA benefits issued by the Department.
4. Respondent was was not aware of the responsibility to report changes in residence.
5. Respondent had no apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is May 1, 2012 to February 28, 2013 (fraud period).
7. During the fraud period, Respondent was issued \$2,000 in FIP FAP SDA CDC MA benefits by the State of Michigan, and the Department alleges that Respondent was entitled to \$0.00 in such benefits during this time period.
8. The Department alleges that Respondent received an OI in FIP FAP SDA CDC MA benefits in the amount of \$2,000.
9. This was Respondent's first second third alleged IPV.
10. A notice of hearing was mailed to Respondent at the last known address and was was not returned by the US Post Office as undeliverable.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), and Department of Human Services Reference Tables Manual (RFT). Prior to August 1, 2008, Department policies were contained in the Department of Human Services Program Administrative Manuals (PAM), Department of Human Services Program Eligibility Manual (PEM), and Department of Human Services Reference Schedules Manual (RFS).

☒ The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food Stamp Act of 1977, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 271.1 to 285.5. The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10 and Mich Admin Code, R 400.3001 to .3015.

The Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor,
- prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
 - the total OI amount for the FIP, SDA, CDC, MA and FAP programs is \$1000 or more, or
 - the total OI amount is less than \$1000, **and**
 - the group has a previous IPV, or
 - the alleged IPV involves FAP trafficking, or
 - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
 - the alleged fraud is committed by a state/government employee.

BAM 720 (July 2013), p. 12.

In this case, the Department alleged that Respondent committed an IPV because he continued to receive and use FAP benefits issued by the State of Michigan while out of state. Subsequent to the scheduling of the current hearing, the Notice of Hearing was mailed to Respondent via first class mail at the address identified by the Department as the last known address. After the hearing, the notice was returned by the United States Postal Service as undeliverable. When notice of a FAP IPV hearing is sent using first class mail and is returned as undeliverable, the hearing may still be held. 7 CFR 273.16((e)(3); BAM 720, p. 12. Thus, the hearing properly proceeded with respect to the alleged FAP IPV.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and

- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (July 2013), p. 7; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Department alleges that Respondent committed an IPV of his FAP benefits because he failed to notify the Department that he no longer resided in Michigan but continued to receive and use Michigan-issued FAP benefits while out of state.

Other changes must be reported within 10 days after the client is aware of them. BAM 105 (May 2012), p. 7. These include, but are not limited to, changes in: address and shelter cost changes that result from the move. BAM 105, p. 7.

To be eligible, a person must be a Michigan resident. BEM 220 (January 2012), p. 1. For FAP cases, a person is considered a resident while living in Michigan for any purpose other than a vacation, even if there is no intent to remain in the state permanently or indefinitely. BEM 220, p. 1. Eligible persons may include persons who entered the state with a job commitment or to seek employment; and students (for FAP only, this includes students living at home during a school break). BEM 220, p. 1.

For FAP cases, a person who is temporarily absent from the group is considered living with the group. BEM 212 (April 2012), p. 2. However, a person's absence is not temporary if it has lasted more than thirty days. BEM 212, p. 2.

The Department's OIG indicates that the time period it is considering the fraud period is May 1, 2012 to February 28, 2013. At the hearing, the Department presented evidence to show why it believed the Respondent was aware of his responsibility to report changes in residence and that he intentionally withheld information concerning an out-of-state move for the purpose of maintaining Michigan FAP eligibility.

First, the Department presented Respondent's online application dated November 12, 2011, to show that he acknowledged his responsibility to report changes as required. See Exhibit 1. A review of Respondent's application indicated that he reported a Michigan address and that he intended to remain in Michigan. See Exhibit 1.

Second, the Department also presented Respondent's Redetermination dated September 27, 2012, which was during the alleged fraud period. See Exhibit 1. The Redetermination did not indicate any new address/mailing. See Exhibit 1.

Third, the Department presented Respondent's FAP transaction history. See Exhibit 1. The FAP transaction history showed that from March 7, 2012 to February 12, 2013, Respondent used FAP benefits issued by the State of Michigan out of state in Tennessee. See Exhibit 1.

It should be noted that the Respondent and the Department spoke with one another on November 6, 2013. See OIG Investigative Report, Exhibit 1.

Based on the foregoing information and evidence, the Department has established that Respondent committed an IPV of FAP benefits. The evidence is sufficient to establish that Respondent no longer resided in Michigan and was no longer eligible for FAP benefits. An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original). The Department presented evidence to establish Respondent's intent during the alleged IPV usage. The Department presented evidence that Respondent reported a Michigan residence while he was using out of state FAP benefits in Tennessee. The Redetermination dated September 27, 2012, indicated that he reported no change in his Michigan residence/address, which occurred during the alleged fraud period. See Exhibit 1. This shows that the Respondent intentionally withheld information concerning an out-of-state move during the alleged fraud period.

In summary, there was clear and convincing evidence that Respondent was aware of his responsibility to report changes in residence and that he intentionally withheld information concerning an out-of-state move for the purpose of maintaining Michigan FAP eligibility. The Department has established that Respondent committed an IPV of FAP benefits.

Disqualification

A court or hearing decision that finds a client committed IPV disqualifies that client from receiving program benefits. BAM 720, p. 15. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 15.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. BAM 720, p. 16. Refusal to repay will not cause denial of current or future MA if the client is otherwise eligible. BAM 710 (July 2013), p. 2. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p. 16.

In this case, the Department has satisfied its burden of showing that Respondent committed an IPV concerning FAP benefits. Therefore, Respondent is disqualified from FAP benefits for 12 months. BAM 720, p. 16.

Overissuance

When a client group receives more benefits than they are entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1. The amount of the OI is the benefit amount the group or provider actually received minus the amount the group was eligible to receive. BAM 720, p. 8.

At the hearing, the Department presented Respondent's FAP transaction history that showed that from March 7, 2012 to February 12, 2013, Respondent used FAP benefits issued by the State of Michigan out of state in Tennessee. See Exhibit 1.

To be eligible, a person must be a Michigan resident. BEM 220, p. 1. For FAP cases, a person is considered a resident while living in Michigan for any purpose other than a vacation, even if there is no intent to remain in the state permanently or indefinitely. BEM 220, p. 1.

As previously stated, the Department has established that Respondent committed an IPV of FAP benefits. Moreover, the FAP transaction history showed that Respondent did not reside in Michigan. Thus, he was not eligible for FAP benefits and was overissued FAP benefits for any period he was ineligible to receive FAP benefits.

Under Department policy, the OI period begins the first month (or pay period for CDC) benefit issuance exceeds the amount allowed by policy or 72 months (6 years) before the date the OI was referred to the RS, whichever is later. BAM 720, p. 7. To determine the first month of the OI period the Department allows time for: the client reporting period; the full standard of promptness (SOP) for change processing; and the full negative action suspense period. BAM 720, p. 7. Based on the above policy, the Department would apply the 10-day client reporting period, the 10-day processing period, and the 12-day negative action suspense period. BAM 720, p. 7.

Applying the above standard and in consideration of the out of state use that began on March 7, 2012, the Department determined that the OI period began on May 1, 2012. See Exhibit 1. It is found that the Department applied the appropriate OI begin date. BAM 720, p. 7.

In establishing the OI amount, the Department presented a benefit summary inquiry showing that Respondent was issued FAP benefits by the State of Michigan from May 2012 through February 2013 totaling \$2,000. See Exhibit 1. Thus, the Department is entitled to recoup \$2,000 of FAP benefits it issued to Respondent between May 1, 2012 to February 28, 2013. BAM 720, p. 7.

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has established by clear and convincing evidence that Respondent did did not commit an intentional program violation (IPV).
2. Respondent did did not receive an OI of program benefits in the amount of \$2,000 from the following program(s) FIP FAP SDA CDC MA.

The Department is ORDERED to

initiate recoupment procedures for the amount of \$2,000 in accordance with Department policy.

It is FURTHER ORDERED that Respondent be disqualified from FIP FAP SDA CDC for a period of 12 months. 24 months. lifetime.
