**ADMINISTRATIVE LAW JUDGE:** Susan C. Burke

**HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION**

Upon the request for a hearing by the Department of Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, a telephone hearing was held on June 9, 2014 from Detroit, Michigan. The Department was represented by [REDACTED], Regulation Agent of the Office of Inspector General (OIG).

Respondent did not appear at the hearing and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

**ISSUES**

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) and Medical Assistance (MA) benefits that the Department is entitled to recoup?
2. Did the Department prove by clear and convincing evidence that Respondent committed an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving FAP benefits?

**FINDINGS OF FACT**

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on [REDACTED] to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP and MA benefits issued by the Department.
4. Respondent was aware of the responsibility to report that she no longer resided in Michigan.
5. Respondent had no apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. Respondent did not report that she no longer resided in Michigan.
7. Respondent continued to receive FAP and MA benefits when she no longer resided in Michigan.
8. The Department's OIG indicates that the time period it is considering the fraud period is [REDACTED] through [REDACTED]. (fraud period).
9. During the fraud period, Respondent was issued \$8,541.00 in FAP and MA benefits by the State of Michigan, and the Department alleges that Respondent was entitled to \$0.00 in such benefits during this time period.
10. Respondent received an OI in FAP and MA benefits in the amount of \$8,541.00.
11. This was Respondent's first IPV.
12. A notice of hearing was mailed to Respondent at the last known address and was not returned by the US Post Office as undeliverable.

### **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), and Department of Human Services Reference Tables Manual (RFT). Prior to August 1, 2008, Department policies were contained in the Department of Human Services Program Administrative Manuals (PAM), Department of Human Services Program Eligibility Manual (PEM), and Department of Human Services Reference Schedules Manual (RFS).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food Stamp Act of 1977, as amended, 7 USC 2011 to 2036a and is

implemented by the federal regulations contained in 7 CFR 271.1 to 285.5. The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10 and Mich Admin Code, R 400.3001 to .3015.

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Family Independence Agency) administers the MA program pursuant to 42 CFR 435, MCL 400.10 and MCL 400.105-.112k.

The Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor,
- prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, and
  - the total OI amount for the FIP, SDA, CDC, MA and FAP programs is \$1000 or more, or
  - the total OI amount is less than \$1000, **and**
    - the group has a previous IPV, or
    - the alleged IPV involves FAP trafficking, or
    - the alleged fraud involves concurrent receipt of assistance (see BEM 222), or
    - the alleged fraud is committed by a state/government employee.

BAM 720 , p. 10.

### **Intentional Program Violation**

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, and
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700, p. 6; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

BEM 220 instructs that to be eligible for assistance in Michigan, a person must be a Michigan resident. For FAP purposes, a person is considered a resident while living in Michigan for any purpose other than a vacation, even if there is no intent to remain in the state permanently or indefinitely. For MA purposes, a person is considered a resident while living in Michigan, except for a temporary absence, and intends to remain in Michigan permanently or indefinitely.

In this case, Respondent applied for FAP and MA through Redetermination on [REDACTED]. [REDACTED] Official Notice is taken that with Respondent's signature on the assistance application, redetermination or semi-annual contact report, Respondent certified receipt, review and agreement with the sections in the assistance application Information Booklet, which include the obligation to report changes in one's circumstances. In addition, Respondent has no apparent physical or mental impairment that limits her understanding or ability to fulfill reporting responsibilities.

Respondent used her EBT card exclusively in [REDACTED] from [REDACTED] through [REDACTED]. The Department also presented evidence that Respondent obtained a [REDACTED] address during the fraud period. It is logical to conclude that Respondent moved to [REDACTED] and did not report her change of circumstances to the Department. It is also logical to conclude that Respondent intentionally withheld or misrepresented information for the purpose of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility from [REDACTED] (the date respondent signed the redetermination form) through the end of the fraud period. Based on the above discussion, it is found that the Department has proven by clear and convincing evidence that Respondent committed an IPV.

### **Disqualification**

A court or hearing decision that finds a client committed IPV disqualifies that client from receiving program benefits. BAM 720, p. 12. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 13.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. BAM 720, p. 13. Refusal to repay will not cause denial of current or future MA if the client is otherwise eligible. BAM 710, p. 2. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p. 16.

In this case, the Department has established that Respondent committed an IPV and that this is her first IPV. Therefore, Respondent is disqualified for a period of one year from receiving FAP benefits.

**Overissuance**

When a client group receives more benefits than entitled to receive, the Department must attempt to recoup the OI. BAM 725, p. 1.

In this case, as discussed above, Respondent received Michigan FAP and MA benefits when she was not residing in Michigan. BEM 220 instructs that to be eligible for assistance in Michigan, a person must be a Michigan resident. Therefore, Respondent received an OI in FAP and MA benefits in the amount of \$8,541.00. (See Exhibit 1, pp. 21-35 for calculation of the OI.)

**DECISION AND ORDER**

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department has established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent received an OI of FAP and MA program benefits in the amount of \$8,541.00 .

The Department is ORDERED to initiate recoupment procedures for the amount of \$8,541.00, in accordance with Department policy.

It is FURTHER ORDERED that Respondent be disqualified from FAP for a period of 12 months.
