**ADMINISTRATIVE LAW JUDGE:** Lynn M. Ferris

**HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION**

Upon the request for a hearing by the Department of Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, and with Mich Admin Code, R 400.3130 and R 400.3178. Respondent did not appear at the hearing and it was held in Respondent's absence pursuant to 7 CFR 273.16(e), Mich Admin Code R 400.3130(5), or Mich Admin Code R 400.3178(5).

**ISSUES**

1. Did Respondent receive an overissuance (OI) of  
 Family Independence Program (FIP)     State Disability Assistance (SDA)  
 Food Assistance Program (FAP)     Child Development and Care (CDC)  
 Medical Assistance (MA)  
benefits that the Department is entitled to recoup?

3. Should Respondent be disqualified from receiving benefits for  
 Family Independence Program (FIP)?     State Disability Assistance (SDA)?  
 Food Assistance Program (FAP)?     Child Development and Care (CDC)?

**FINDINGS OF FACT**

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing **request on February 28, 2014**, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.
2. The OIG  has  has not requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of  FIP  FAP  SDA  CDC  MA benefits issued by the Department.
4. Respondent  was  was not aware of the responsibility to report his employment and earned income received from employment.
5. Respondent  had  did not have an apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is August 1, 2012 through April 30, 2013 (fraud period).
7. During the fraud period, Respondent was issued [REDACTED] in  FIP  FAP  SDA  CDC  MA benefits by the State of Michigan, and the Department alleges that Respondent was entitled to \$0 in such benefits during this time period.
8. The Department alleges that Respondent received an OI in  FIP  FAP  SDA  CDC  MA benefits in the amount of \$ [REDACTED]
9. This was Respondent's  first  second  third alleged IPV.
10. A notice of hearing was mailed to Respondent at the last known address and  was  was not returned by the US Post Office as undeliverable.

**CONCLUSIONS OF LAW**

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), and Department of Human Services Reference Tables Manual (RFT). Prior to August 1, 2008, Department policies were contained in the Department of Human Services Program Administrative Manuals (PAM), Department of Human Services Program Eligibility Manual (PEM), and Department of Human Services Reference Schedules Manual (RFS).

☒ The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food Stamp Act of 1977, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10; the Social Welfare Act, MCL 400.1-.119b; and Mich Admin Code, R 400.3001 to .3015.

The Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor.
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, **and**
  - the total OI amount for the FIP, SDA, CDC, MA and FAP programs is \$1000 or more, **or**
  - the total OI amount is less than \$1000, **and**
    - the group has a previous IPV, **or**
    - the alleged IPV involves FAP trafficking, **or**
    - the alleged fraud involves concurrent receipt of assistance (see BEM 222), **or**
    - the alleged fraud is committed by a state/government employee.

BAM 720 (May 14, 2014), p. 12,13.

### **Intentional Program Violation**

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client intentionally failed to report information **or** intentionally gave incomplete or inaccurate information needed to make a correct benefit determination, **and**
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, **and**
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (May 2014), p. 7; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, the Claimant on two occasions failed to report his employment to the Department when providing information to the Department so it could determine his eligibility for FAP. The Claimant applied for FAP benefits on July 31, 2012. The application indicates no employment but the Claimant was employed. Exhibit 1, pp.23. A redetermination was completed on September 12, 2012, at which time again the Respondent failed to report his employment even though he had begun working in March 2012 and continued to work until March 29, 2013. Exhibit 1 pp. 56. Based upon this evidence the Department has demonstrated by clear and convincing evidence that the Respondent has committed an Intentional Program Violation as he never reported any income or employment.

### **Disqualification**

A court or hearing decision that finds a client committed IPV disqualifies that client from receiving program benefits. BAM 720, p. 12. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 13.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. BAM 720, p. 13. Refusal to repay will not cause denial of current or future MA if the client is otherwise eligible. BAM 710 (July 2013), p. 2. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p. 16.

In this case, the Department did establish by clear and convincing evidence that an IPV occurred and thus has established that its request for disqualification should be granted.

### **Overissuance**

When a client group receives more benefits than they are entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1.

In this case, the Department's evidence demonstrated that the Claimant was issued benefits of [REDACTED] per month and provided budgets for each of the months beginning with

August 1, 2012 through April 30, 2013. The Department's budgets were reviewed at the hearing and demonstrated that the Department used the correct unreported income based upon the verification of wages received during the period which were never reported. Based upon this review it is determined that the Respondent did receive an overissuance of [REDACTED] for the period August 1, 2012 through April 30, 2013.

**DECISION AND ORDER**

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, concludes that:

1. The Department  has  has not established by clear and convincing evidence that Respondent committed an IPV.
2. Respondent  did  did not receive an OI of program benefits in the amount of [REDACTED] from the following program(s)  FIP  FAP  SDA  CDC  MA.

The Department is ORDERED to

initiate recoupment procedures for the amount of \$ [REDACTED] in accordance with Department policy.

It is FURTHER ORDERED that Respondent be disqualified from  
 FIP  FAP  SDA  CDC for a period of  
 12 months.  24 months.  lifetime.
