ISSUE

Did the Department properly calculate Claimant's FAP allotment?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. Claimant applied for FAP on April 18, 2014.
2. On May 14, 2014, the Department sent Claimant a Notice of Case Action awarding Claimant \$ per month in FAP benefits.
3. Claimant indicated on his application that he did not have any ongoing medical expenses.
4. Claimant requested hearing on May 21, 2014.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), Department of Human Services Reference Tables Manual (RFT), and Department of Human Services Emergency Relief Manual (ERM).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food Stamp Act of 1977, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 271.1 to 285.5. The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10 and Mich Admin Code, R 400.3001 to .3015.

Additionally, The Department's computer system known as "Bridges" uses certain expenses to determine net income for FAP eligibility and benefit levels. BEM 554. For groups with no senior/disabled/disabled veteran (SDV) member, Bridges uses the following: (1) dependent care expense; (2) excess shelter up to the maximum in RFT 255; (3) court ordered child support and arrearages paid to non-household members. BEM 554. For groups with one or more SDV member, Bridges uses the following; see BEM 550: (1) dependent care expense; (2) excess shelter (3) court ordered child support and arrearages paid to non-household members; and (4) medical expenses for the SDV member(s) that exceed \$35. BEM 554.

The Department shall complete either a manually-calculated or Bridges budget to document expenses every time an expense change is reported. BEM 554. The Department must verify the responsibility to pay and the amount of certain expenses. BEM 554. The Department must document verification in the case record. BEM 554. The Department shall not budget expenses that require verification until the verification is provided. BEM 554. The Department must determine eligibility and the benefit level without an expense requiring verification if it cannot be verified. BEM 554. The Department treats subsequently provided verification from an eligible FAP group as a change. A supplement for lost benefits is issued only if the expense could not be verified within 30 days of the application and the local office was at fault. BEM 554. Expenses are used from the same calendar month as the month for which the Department is determining benefits. BEM 554. Expenses remain unchanged until the FAP group reports a change. BEM 554. The Department determines the amount of monthly income from biweekly checks by averaging any biweekly check and multiplying the average biweekly check amount by 2.15. RFT 505. The Department determines the amount of monthly income from weekly checks by averaging the weekly checks and multiplying the average by 4.3.

Claimants total gross monthly income during the relevant period was \$ [REDACTED]. The Department properly determined Claimant's adjusted gross income to be \$ [REDACTED]. Claimant's Standard Deduction of \$ [REDACTED] is appropriate. RFT 255.

The Excess Shelter deduction of \$66 properly reflected the housing cost of \$ [REDACTED] and deduction for electric of \$ [REDACTED] and a phone allowance of \$ [REDACTED]. Less 50% of Adjusted Gross Income. See BEM 554, 556.

RFT 260 provides that a FAP group of this size with a net income of \$ [REDACTED] would be eligible to \$ [REDACTED] per month in FAP benefits if otherwise eligible. The Department did not err in determining Claimant's monthly FAP benefits.

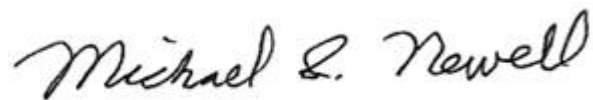

Claimant testified that his monthly phone bill was more than the \$ [REDACTED] per month, and that he is medically required to have a phone. Claimant provided no medical documentation to support this, nor did he provide such information to the Department before the

decision was made. Claimant may wish to provide the Department with documents out-of-pocket medical expenses for the Department to determine whether this would affect his benefits. However, the Department properly relied on available information in making the decision at issue, including Claimant's response on the application that he had no ongoing medical expenses.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it calculated Claimant's FAP allotment.

DECISION AND ORDER

Accordingly, the Department's decision is **AFFIRMED**.
