ISSUE

Did the Department properly remove Claimant from her Food Assistance Program (FAP) group, thereby reducing her FAP benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. On June 4, 2014, the Department sent Claimant a notice of case action informing her that, although it had increased her FAP benefits, it had reduced the household size from eight to seven.
2. On June 6, 2014, Claimant requested a hearing to protest the reduction of her household size from eight to seven.
3. A meaningful prehearing conference was not held due to the fact that Claimant was hospitalized on the date it was scheduled.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), Department of Human Services Reference Tables Manual (RFT), and Department of Human Services Emergency Relief Manual (ERM).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food Stamp Act of 1977, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001 to .3015.

At the hearing, Claimant testified that **the father of the child in question, [REDACTED] [REDACTED] passed away [REDACTED]** Claimant further testified that she notified the Department of this event but had continued to attempt to have this fact recognized by the Office of Child Support (OCS), to no avail.

The Department further testified that it had reduced Claimant's FAP group from 8 to 7 beginning October 1, 2013.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department

- acted in accordance with Department policy when it .
- did not act in accordance with Department policy when it failed to recognize the death of the father of the child in question.
- failed to satisfy its burden of showing that it acted in accordance with Department policy when it .
