STATE OF MICHIGAN MICHIGAN ADMINISTRATIVE HEARING SYSTEM ADMINISTRATIVE HEARINGS FOR THE DEPARTMENT OF HUMAN SERVICES

IN THE MATTER OF:

Reg. No.: 14-002101

Issue No.: <u>3005</u>

Case No.: Hearing Date: July 1, 2014

County: Wayne County DHS #17

ADMINISTRATIVE LAW JUDGE: Gary F Heisler

HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

This matter is before the undersigned Administrative Law Judge for an Intentional Program Violation hearing pursuant to MCL 400.9 and MCL 400.37, 7 CFR 273.16, MAC R 400.3130, and MAC R 400.3178 upon the Department of Human Services' request. After due notice, a hearing was held on July 1, 2014. Respondent appeared and testified. Participants on behalf of the Department of Human Services (Department) included RA

<u>ISSUE</u>

Whether Respondent engaged in trafficking Food Assistance Program (FAP) benefits in the amount of \$\frac{1}{2}\$

FINDINGS OF FACT

The Administrative Law Judge, based upon the clear and convincing evidence on the whole record, finds as material fact:

- (1) Respondent was an ongoing recipient of Food Assistance Program (FAP) benefits. Respondent signed the affidavit in the Assistance Application (DHS-1171) certifying that s/he was aware of the conditions that constitute fraud/IPV and trafficking and the potential consequences.
- (2) In December 2012, a USDA-FNS investigation determined that the Baghdad Mini Mart was trafficking Food Assistance Program (FAP) benefits. The determination was based on analysis of the store's Electronic Benefit Transfer (EBT) card transactions, the inventory and mix of authorized items carried at the store, the transaction records of similar stores in the same geographic area and statements from the owner
- (3) Between January 3, 2010 and December 30, 2012 Respondent's Food Assistance Program (FAP) Electronic Benefit Transfer (EBT) card was used for approximately 450 transactions at the Baghdad Mini Mart for a total of \$\frac{1}{2}\$ The timing and amount of some of Respondent's transactions were in a pattern

and manner which does not reflect normally expected purchases for the inventory and mix of authorized items carried at the Baghdad Mini Mart.

(4) On May 2, 2014, the Office of Inspector General submitted the agency request for hearing of this case

CONCLUSIONS OF LAW

The Food Assistance Program (FAP) [formerly known as the Food Stamp (FS) program] is established by the Food Stamp Act of 1977, as amended, and is implemented by the federal regulations contained in Title 7 of the Code of Federal Regulations (CFR). The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, et seq., and 1997 AACS R 400.3001-3015.

In this case, the Department has requested a disqualification hearing to establish an over-issuance of benefits as a result of Food Assistance Program (FAP) trafficking and the Department has asked that Respondent be disqualified from receiving benefits. Department policies provide the following guidance and are available on the internet through the Department's website.

BPG GLOSSARY GLOSSARY

TRAFFICKING

The buying or selling of FAP benefits for cash or consideration other than eligible food.

BEM 203 CRIMINAL JUSTICE DISQUALIFICATIONS

DEPARTMENT POLICY FIP, RAP, SDA, CDC and FAP

People convicted of certain crimes, fugitive felons, and probation or parole violators are not eligible for assistance.

Policy for IPV disqualifications and over issuances is found in BAM 700 and 720.

FAP TRAFFICKING

FAP

A person is disqualified from FAP when an administrative hearing decision, a repayment and disqualification agreement or court decision determines FAP benefits were trafficked. These FAP trafficking disqualifications are a result of the following actions:

- Fraudulently using, transferring, altering, acquiring, or possessing coupons, authorization cards, or access devices; or
- Redeeming or presenting for payment coupons known to be fraudulently obtained or transferred.

BAM 720 INTENTIONAL PROGRAM VIOLATIONS

DEPARTMENT POLICY

All Programs

Recoupment policies and procedures vary by program and over-issuance (OI) type. This item explains Intentional Program Violation (IPV) processing and establishment.

DEFINITIONS

FAP Only

IPV is suspected for a client who is alleged to have trafficked FAP benefits.

IPV

FIP, SDA and FAP

The client/authorized representative (AR) is determined to have committed an IPV by:

- A court decision.
- An administrative hearing decision.
- The client signing a DHS-826, Request for Waiver of Disqualification Hearing or DHS-830, Disqualification Consent Agreement or other recoupment and disqualification agreement forms.

FAP Only

IPV exists when an administrative hearing decision, a repayment and disqualification agreement or court decision determines FAP benefits were trafficked.

OVER-ISSUANCE AMOUNT

FAP Trafficking The OI amount for trafficking-related IPVs is the value of the trafficked benefits as determined by:

- The court decision.
- The individual's admission.
- Documentation used to establish the trafficking determination, such as an affidavit from a store owner or sworn testimony from a federal or state investigator of how much a client could have reasonably trafficked in that store. This can be established through circumstantial evidence.

OIG RESPONSIBILITIES

All Programs

Suspected IPV cases are investigated by OIG. Within 18 months, OIG will:

- Refer suspected IPV cases that meet criteria for prosecution to the Prosecuting Attorney.
- Refer suspected IPV cases that meet criteria for IPV administrative hearings to the Michigan Administrative Hearing System (MAHS).
- Return non-IPV cases to the RS.

IPV Hearings

FIP, SDA, CDC, MA and FAP

OIG represents DHS during the hearing process for IPV hearings.

OIG requests IPV hearings when no signed DHS-826 or DHS-830 is obtained, and correspondence to the client is not returned as undeliverable, or a new address is located.

Exception: For FAP only, OIG will pursue an IPV hearing when correspondence was sent using first class mail and is returned as undeliverable.

OIG requests IPV hearing for cases involving:

- 1. FAP trafficking OIs that are not forwarded to the prosecutor.
- 2. Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, **and**
- The total OI amount for the FIP, SDA, CDC, MA and FAP programs combined is \$1000 or more, or
- The total OI amount is less than \$1000, and
 - •• The group has a previous IPV, or
 - •• The alleged IPV involves FAP trafficking, or
- •• The alleged fraud involves concurrent receipt of assistance (see BEM 222), **or**
- •• The alleged fraud is committed by a state/government employee.

Excluding FAP, OIG will send the OI to the RS to process as a client error when the DHS-826 or DHS-830 is returned as undeliverable and no new address is obtained.

DISQUALIFICATION FIP, SDA, CDC AND FAP ONLY

Disgualify an active **or** inactive recipient who:

Is found by a court or hearing decision to have committed IPV, **or** Has signed a DHS-826 or DHS-830, **or** Is convicted of concurrent receipt of assistance by a court, **or** For FAP, is found by SOAHR or a court to have trafficked FAP benefits.

A disqualified recipient remains a member of an active group as long as he lives with them. Other eligible group members may continue to receive benefits.

Standard Disqualification Periods FIP, SDA, CDC and FAP

The standard disqualification period is used in all instances except when a **court** orders a different period (see Non-Standard Disqualification Periods in this item).

Apply the following disqualification periods to recipients determined to have committed IPV:

One year for the first IPV.
Two years for the second IPV.
Lifetime for the third IPV.

The Department alleges that every one of Respondent's approximately 450 transactions at the Baghdad Mini Mart was an instance of trafficking. While the evidence in the record establishes that the Baghdad Mini Mart engaged in FAP trafficking, the evidence also shows that some eligible items were on the shelves and for sale. While some of Respondent's transactions do not fit the expected amounts for the store, many of the transactions do fit the expected amounts for the store. The evidence in this record does not constitute clear and convincing evidence that Respondent made approximately 450 trafficking transactions totaling \$\frac{1}{2} \frac{1}{2} \frac{1}{2

DECISION AND ORDER

The Administrative Law Judge, based upon the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, finds that the Department has NOT established by clear and convincing evidence that Respondent engaged in Food Assistance Program (FAP) trafficking in the amount of \$\frac{1}{2}\$ which the Department is entitled to recoup.

It is ORDERED that the actions of the Department of Human Services, in this matter, are **REVERSED**.

Gary F. Heisler

Administrative Law Judge for Maura Corrigan, Director Department of Human Services
