CONCLUSIONS OF LAW

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department of Human Services (DHS or Department) administers the MA program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Bridges Reference Manual (BRM).

Department policy at BEM 260 states that if a Claimant has been found eligible for either SSI or RSDI based upon a finding of disability, the person meets the Department's MA disability criteria. No other evidence is required to establish disability. In the present case, the Claimant was found by the Social Security Administration to be eligible for RSDI benefits based upon disability, and has presented prima facie evidence of the same. This disability was found by the Social Security Administration to have an onset [REDACTED]. Therefore, the Administrative Law Judge finds that the Claimant met the Department's definition of disabled for the purposes of MA-P program effective [REDACTED] [REDACTED]. The Claimant's Representative and the Department representative agreed at hearing that this was the correct action.

DECISION AND ORDER

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that Claimant is medically disabled as of [REDACTED].

Accordingly, the Department's decision is hereby **REVERSED** and the Department is ORDERED to:

1. Initiate a review of the application for MA dated [REDACTED], if not done previously, to determine Claimant's non-medical eligibility.
2. The Department shall inform Claimant of the determination in writing. A review of this case shall be set for [REDACTED].
