### **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), and Department of Human Services Reference Tables Manual (RFT).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food Stamp Act of 1977, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001 to .3015.

Additionally, in this case the Claimant conceded that she did not provide the Department the requested information by the due date. The Claimant was to have provided employment verification to the Department of her fiancé, who was a FAP group member. The Claimant testified that she called her caseworker regarding stopping of employment but did not provide any verification. BAM 130 (7/1/13) requires that Claimant's and ongoing recipients of FAP benefits provide employment and earnings as requested, so that FAP benefits for the group may be properly calculated. The Claimant agreed that she received the verification but did not return it. Under these circumstances, the Department correctly closed the Claimant's FAP case for failure to verify employment. There was no evidence in the case record that any employment verification was provided. The Claimant may reapply for benefits at any time.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any finds that the Department

acted in accordance with Department policy when it closed the Claimant's FAP case for failure to verify information regarding employment.

**DECISION AND ORDER**

Accordingly, the Department's decision is

AFFIRMED.
