ISSUE

Did the Department properly close the Claimant's Medical Assistance (MA) and Food Assistance Program (FAP) benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Claimant was an ongoing Medical Assistance (MA) and Food Assistance Program (FAP) recipient.
2. On May 13, 2014, the Department sent the Claimant a Redetermination (DHS-1010) with a due date of June 3, 2014.
3. On June 3, 2014, the Department sent the Claimant a Notice of Missed Interview (DHS-254).
4. On June 19, 2014, the Department notified the Claimant that it would close his Medical Assistance (MA) and Food Assistance Program (FAP) benefits.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), Department of Human Services Reference Tables Manual (RFT), and Department of Human Services Emergency Relief Manual (ERM).

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food Stamp Act of 1977, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001 to .3015.

The Medical Assistance (MA) program is established by Title XIX of the Social Security Act, 42 USC 1396-1396w-5; 42 USC 1315; the Affordable Care Act of 2010, the collective term for the Patient Protection and Affordable Care Act, Pub. L. No. 111-148, as amended by the Health Care and Education Reconciliation Act of 2010, Pub. L. No. 111-152; and 42 CFR 430.10-.25. The Department (formerly known as the Family Independence Agency) administers the MA program pursuant to 42 CFR 435, MCL 400.10, and MCL 400.105-.112k.

Clients must cooperate with the local office in determining initial and ongoing eligibility. This includes the completion of necessary forms. Department of Human Services Bridges Assistance Manual (BAM) 105 (March 1, 2013), p 5. Verification means documentation or other evidence to establish the accuracy of the client's verbal or written statements. Department of Human Services Bridges Assistance Manual (BAM) 130 (May 1, 2012), p 1. Verification is usually required at application/redetermination and for a reported change affecting eligibility or benefit level when it is required by policy, required as a local office option, or information regarding an eligibility factor is unclear, inconsistent, incomplete, or contradictory. BAM 130. The Department uses documents, collateral contacts, or home calls to verify information. BAM 130. A collateral contact is a direct contact with a person, organization, or agency to verify information from the client. BAM 130. When documentation is not available, or clarification is needed, collateral contact may be necessary. BAM 130.

In this case, the Claimant was an ongoing Medical Assistance (MA) and Food Assistance Program (FAP) recipient when the Department initiated a routine review of his eligibility to receive continued benefits. On May 13, 2014, the Department sent the Claimant a Redetermination (DHS-1010) with a due date of June 3, 2014. This form instructed the Claimant to return the completed form before his redetermination interview would take place. When the Claimant did not return the redetermination form, the Department did not conduct the interview, but instead sent him a Notice of Missed Interview (DHS-254). This notice instructed the Claimant that it was his duty to reschedule his redetermination interview. On June 19, 2014, the Department had not received any requests to reschedule the redetermination interview and notified the Claimant that it would close his Medical Assistance (MA) and Food Assistance Program (FAP) benefits.

The Claimant argued that he could not read the forms the Department sent him.

This Administrative Law Judge finds that the Claimant had a duty to provide the Department with information necessary to determine his eligibility to receive benefits, and should have sought assistance upon the receipt of any forms from the Department that he did not understand. The Department has a duty to assist its clients, but in this case, no request for assistance was made.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it closed the Claimant's Medical Assistance (MA) and Food Assistance Program (FAP) benefits.
