IN THE MATTER OF:

Reg. No.: 14-004020
Issue No.: 1005, 3005
Case No.:
Hearing Date: September 24, 2014
County: Genesee-District 6 (Clio Rd)

ADMINISTRATIVE LAW JUDGE: Darryl Johnson

HEARING DECISION FOR INTENTIONAL PROGRAM VIOLATION

Upon the request for a hearing by the Department of Human Services (Department), this matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9, and in accordance with Titles 7, 42 and 45 of the Code of Federal Regulation (CFR), particularly 7 CFR 273.16, and with Mich Admin Code, R 400.3130 and R 400.3178. After due notice, a telephone hearing was held on September 24, 2014, from Lansing, Michigan. The Department was represented by Regulation Agent of the Office of Inspector General (OIG).

Participants on behalf of Respondent included: Claimant.

ISSUES

1. Did Respondent receive an overissuance (OI) of Food Assistance Program (FAP) and Family Independence Program (FIP) benefits that the Department is entitled to recoup?
2. Did Respondent, by clear and convincing evidence, commit an Intentional Program Violation (IPV)?
3. Should Respondent be disqualified from receiving Food Assistance Program (FAP) and Family Independence Program (FIP) benefits?

FINDINGS OF FACT

The Administrative Law Judge, based on the competent, material, and substantial evidence on the whole record, finds as material fact:

1. The Department's OIG filed a hearing request on June 12, 2014, to establish an OI of benefits received by Respondent as a result of Respondent having allegedly committed an IPV.

2. The OIG has requested that Respondent be disqualified from receiving program benefits.
3. Respondent was a recipient of FAP and FIP benefits issued by the Department.
4. Respondent was aware of the responsibility to use FAP benefits only for purposes authorized by the Food Stamp Act of 1977, and to report changes in her circumstances that would affect her eligibility.
5. Respondent had no apparent physical or mental impairment that would limit the understanding or ability to fulfill this requirement.
6. The Department's OIG indicates that the time period it is considering the fraud period is November 1, 2012, through February 28, 2013, for FIP, and October 1, 2012, through April 30, 2013, for FAP (fraud period).
7. During the fraud period, Respondent was issued [REDACTED] in FIP and [REDACTED] in FAP benefits by the State of Michigan, and the Department alleges that Respondent was entitled to [REDACTED] in such benefits during this time period.
8. The Department alleges that Respondent received an OI in FAP benefits in the amount of [REDACTED] and FIP benefits in the amount of [REDACTED].
9. This was Respondent's first alleged IPV.
10. A notice of hearing was mailed to Respondent at the last known address and was not returned by the US Post Office as undeliverable. The hearing packet was mailed to Respondent at the last known address and was not returned.

CONCLUSIONS OF LAW

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), and Department of Human Services Reference Tables Manual (RFT). Prior to August 1, 2008, Department policies were contained in the Department of Human Services Program Administrative Manuals (PAM), Department of Human Services Program Eligibility Manual (PEM), and Department of Human Services Reference Schedules Manual (RFS).

The Family Independence Program (FIP) was established pursuant to the Personal Responsibility and Work Opportunity Reconciliation Act of 1996, PL 104-193, and 42 USC 601 to 679c. The Department (formerly known as the Family Independence Agency) administers FIP pursuant to MCL 400.10 and 400.57a and Mich Admin Code, R 400.3101 to .3131.

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food Stamp Act of 1977, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 271.1 to 285.5. The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10 and Mich Admin Code, R 400.3001 to .3015.

The Department's OIG requests IPV hearings for the following cases:

- FAP trafficking OIs that are not forwarded to the prosecutor,
- Prosecution of welfare fraud or FAP trafficking is declined by the prosecutor for a reason other than lack of evidence, **and**
 - The total OI amount for the FIP, SDA, CDC, MA and FAP programs is \$1000 or more, **or**
 - The total OI amount is less than \$1000, **and**
 - The group has a previous IPV, **or**
 - The alleged IPV involves FAP trafficking, **or**
 - The alleged fraud involves concurrent receipt of assistance (see BEM 222), **or**
 - The alleged fraud is committed by a state/government employee.

BAM 720 (7/1/13), p. 12.

Intentional Program Violation

Suspected IPV means an OI exists for which all three of the following conditions exist:

- The client **intentionally** failed to report information **or intentionally** gave incomplete or inaccurate information needed to make a correct benefit determination, **and**
- The client was clearly and correctly instructed regarding his or her reporting responsibilities, and
- The client has no apparent physical or mental impairment that limits his or her understanding or ability to fulfill reporting responsibilities.

BAM 700 (7/1/13), p. 6; BAM 720, p. 1.

An IPV is also suspected for a client who is alleged to have trafficked FAP benefits. BAM 720, p. 1.

An IPV requires that the Department establish by clear and convincing evidence that the client has intentionally withheld or misrepresented information for the **purpose** of establishing, maintaining, increasing or preventing reduction of program benefits or eligibility. BAM 720, p. 1 (emphasis in original); see also 7 CFR 273(e)(6). Clear and convincing evidence is evidence sufficient to result in a clear and firm belief that the proposition is true. See M Civ JI 8.01.

In this case, Respondent applied for FIP and FAP, and she acknowledged that she understood that she needed to report changes in her household circumstances that would affect her eligibility for the benefits she was receiving.

Respondent lost her employment, and began receiving unemployment compensation benefits on July 1, 2012. She did not report her unemployment compensation to the Department. Consequently, she received more in FIP and FAP than she would have received if she had accurately and timely reported her unearned income.

It is noted that Respondent testified and denied she had received FIP “in about four years.” When it was pointed out that the Department’s documentation showed that she was receiving FIP in 2013, she acknowledged that she might have her dates mixed up. She also testified that she reported her unemployment compensation benefits to her worker. That self-serving testimony is unsupported by the documentation and is not found to be credible. The Department has established an intentional program violation.

Disqualification

A court or hearing decision that finds a client committed IPV disqualifies that client from receiving program benefits. BAM 720, p. 15. A disqualified recipient remains a member of an active group as long as he lives with them, and other eligible group members may continue to receive benefits. BAM 720, p. 15.

Clients who commit an IPV are disqualified for a standard disqualification period except when a court orders a different period, or except when the OI relates to MA. BAM 720, p. 16. Refusal to repay will not cause denial of current or future MA if the client is otherwise eligible. BAM 710 (7/1/13), p. 2. Clients are disqualified for periods of one year for the first IPV, two years for the second IPV, lifetime disqualification for the third IPV, and ten years for a FAP concurrent receipt of benefits. BAM 720, p. 16.

In this case, Respondent committed an IPV by receiving more in FIP and FAP benefits than she would have received had she accurately reported her income. Because she has committed an IPV, she is to be disqualified.

Overissuance

When a client group receives more benefits than they are entitled to receive, the Department must attempt to recoup the OI. BAM 700, p. 1.

In this case, Respondent received [REDACTED] more in FIP benefits and [REDACTED] more in FAP benefits than she should have. She was not entitled to those benefits. The

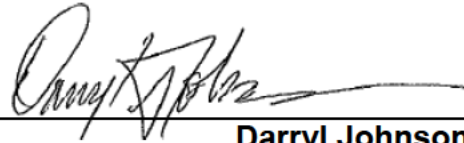

Department has established an OI of [REDACTED] of FIP, and [REDACTED] of FAP, which is to be recouped.

DECISION AND ORDER

1. The Department has established by clear and convincing evidence that Respondent committed an intentional program violation (IPV).
2. Respondent received an OI of program benefits in the amount of [REDACTED] from the FAP program and [REDACTED] from the FIP program.

The Department is ORDERED to initiate recoupment procedures for the amount of [REDACTED] in accordance with Department policy.

It is FURTHER ORDERED that Respondent be disqualified from FIP and FAP for a period of 12 months.
