#### **CONCLUSIONS OF LAW**

Department policies are contained in the Department of Human Services Bridges Administrative Manual (BAM), Department of Human Services Bridges Eligibility Manual (BEM), Department of Human Services Reference Tables Manual (RFT), and Department of Human Services Emergency Relief Manual (ERM).

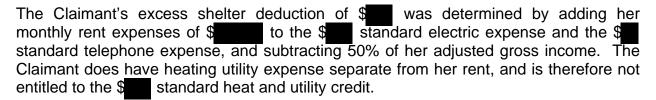

The Food Assistance Program (FAP) [formerly known as the Food Stamp program] is established by the Food Stamp Act of 1977, as amended, 7 USC 2011 to 2036a and is implemented by the federal regulations contained in 7 CFR 273. The Department (formerly known as the Family Independence Agency) administers FAP pursuant to MCL 400.10, the Social Welfare Act, MCL 400.1-.119b, and Mich Admin Code, R 400.3001 to .3015.

All earned and unearned income available to the Claimant is countable. Earned income means income received from another person or organization or from self-employment for duties for duties that were performed for compensation or profit. Unearned income means all income that is not earned, including but not limited to funds received from the Family Independence Program (FIP), State Disability Assistance (SDA), Child Development and Care (CDC), Medicaid (MA), Social Security Benefits (RSDI/SSI), Veterans Administration (VA), Unemployment Compensation Benefits (UCB), Adult Medical Program (AMA), alimony, and child support payments. The amount counted may be more than the client actually receives because the gross amount is used prior to any deductions. Department of Human Services Bridges Eligibility Manual (BEM) 500 (July 1, 2014).

On July 14, 2014, the Claimant applied for Food Assistance Program (FAP) benefits as a group of one after her food assistance benefits under the Michigan Combined Application Project (MICAP) had closed for reasons unrelated to his hearing.

The Claimant receives a total monthly gross income of totaling her Retirement, Survivors, and Disability Insurance (RSDI), her Supplemental Security Income (SSI), and her State Supplemental Security Income (SSP) benefits. The Claimant's adjusted gross income of subtracting the standard deduction from her total monthly income.

As a Supplemental Security Income (SSI) recipient, the Claimant is entitled to deduct medical expenses over from her total income, but no evidence that the Claimant submitted any medical receipts with her application for assistance was presented during the hearing.

The Claimant's net income of \$ was determined by subtracting the excess shelter deduction from her adjusted gross income. A group of one with a net income of \$ entitled to a \$ monthly allotment of Food Assistance Program (FAP) benefits. Benefits for July were prorated based on a July 14, 2014, application date. Department of Human Services Reference Table Manual (RFT) 260 (December 1, 2013).

The Claimant disputed the benefits she received on her new application to the Food Assistance Program (FAP) compared with the assistance she received under the Michigan Combined Application Project (MICAP).

The primary factor causing the Claimant's benefits to decrease is a change of Department policy eliminating an automatic heat and utility credit applied to all food assistance recipients. Since the Claimant is not responsible for heat and utility expenses separate from her monthly rent expense, she is not entitled to this \$553 credit.

The Claimant checked cash assistance on her request for a hearing, but no evidence was presented at the hearing that she applied for, or was potentially eligible for cash assistance.

The Administrative Law Judge, based on the above Findings of Fact and Conclusions of Law, and for the reasons stated on the record, if any, finds that the Department acted in accordance with Department policy when it determined the amount of the Claimant's Food Assistance Program (FAP) benefits.
