Reg. No.: 2014-21299  
Issue No.: 2009, 4009  
Case No.: [REDACTED]  
Hearing Date: May 15, 2014  
County: Grand Traverse-00

**ADMINISTRATIVE LAW JUDGE: Aaron McClintic**

**HEARING DECISION**

This matter is before the undersigned Administrative Law Judge, pursuant to MCL 400.9 and 400.37; 42 CFR 431.200 to 431.250; and 45 CFR 205.10, upon the Claimant's request for a hearing. After due notice, an in-person hearing was held on May 15, 2014, from Traverse City, Michigan. Participants on behalf of the Claimant included the Claimant and a witness, [REDACTED]. Participants on behalf of the Department included [REDACTED] and [REDACTED].

**ISSUE**

Did the Department properly deny Claimant's Medical Assistance (MA) and State Disability Assistance (SDA) applications?

**FINDINGS OF FACT**

1. Claimant applied for MA-P and SDA on October 31, 2013.
2. The Medical Review Team denied the application on December 20, 2013.
3. Claimant filed a request for hearing on December 31, 2013, regarding the MA and SDA denials.
4. An in-person hearing was held on May 15, 2014.
5. On December 10, 2013, the State Hearing Review Team denied the application because the medical evidence of record indicates that the Claimant retains the capacity to perform past work as a dishwasher.
6. Claimant is 5' 10" tall and weighs 123 pounds.

7. Claimant is 42 years of age.
8. Claimant's impairments have been medically diagnosed as PTSD, epilepsy and head injury.
9. Claimant has the following symptoms: pain, fatigue, insomnia, memory and concentration problems, and shortness of breath.
10. Claimant completed high school and some college.
11. Claimant is able to read, write, and perform basic math skills.
12. Claimant is not working. Claimant last worked in 2012 as a dishwasher.
13. Claimant lives with his mother.
14. Claimant testified that he cannot perform some household chores.

  - iii. Walking: 1 block
  - iv. Bend/stoop: some difficulty
  - v. Lifting: 8 lbs.
  - vi. Grip/grasp: no limitations
17. In a psychological evaluation dated [REDACTED], the examining psychiatrist stated the following under Functional Manifestation of Diagnoses: "Independence- It appears that he would have difficulty operating in a work setting with much independence. Appropriateness- While he was appropriate for this evaluation there were moments, as noted, where his social contact was marginal and required verbal reminders of where he was and what he was about. Effectiveness-It does not appear that he could be sustainably effective in most work settings. Sustainability of function-See previous note." Claimant's prognosis was found to be poor.
18. A psychological evaluation was obtained following hearing. Claimant agreed to this and waived timeliness standards.

19. Following completion of the psychological evaluation the State Hearing Review Team again denied Claimant's appeal on August 21, 2014, because Claimant retains the capacity to perform past work as a dishwasher.
20. Claimant was disruptive at hearing and left the hearing before it was completed.

### **CONCLUSIONS OF LAW**

The regulations governing the hearing and appeal process for applicants and recipients of public assistance in Michigan are found in the Michigan Administrative Code, MAC R 400.901-400.951. An opportunity for a hearing shall be granted to an applicant who requests a hearing because his or her claim for assistance has been denied. MAC R 400.903(1). Clients have the right to contest a Department decision affecting eligibility or benefit levels whenever it is believed that the decision is incorrect. The Department will provide an administrative hearing to review the decision and determine the appropriateness of that decision. BAM 600.

The Medical Assistance (MA-P) program is established by Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). The Department administers the MA-P program pursuant to MCL 400.10, *et seq.*, and MCL 400.105. Department policies are found in the Bridges Administrative Manual (BAM), the Bridges Eligibility Manual (BEM) and the Program Reference Manual (PRM).

The State Disability Assistance (SDA) program is established by the Social Welfare Act, MCL 400.1-.119b. The Department of Human Services (formerly known as the Family Independence Agency) administers the SDA program pursuant to MCL 400.10 and Mich Admin Code, R 400.3151-.3180.

Pursuant to Federal Rule 42 CFR 435.540, the Department uses the Federal Supplemental Security Income (SSI) policy in determining eligibility for disability under the MA-P program. Under SSI, disability is defined as:

...the inability to do any substantial gainful activity by reason of any medically determinable physical, or mental, impairment which can be expected to result in death, or which has lasted, or can be expected to last, for a continuous period of not less than 12 months.... 20 CFR 416.905.

Federal regulations require that the Department use the same operative definition for "disabled" as used for Supplemental Security Income (SSI) under Title XVI of the Social Security Act. 42 CFR 435.540(a).

"Disability" is:

...the inability to do any substantial gainful activity by reason of any medically determinable physical, or mental, impairment which can be expected to result in death,

or which has lasted, or can be expected to last, for a continuous period of not less than 12 months ... 20 CFR 416.905.

In determining whether an individual is disabled, 20 CFR 416.920 requires the trier of fact to follow a sequential evaluation process by which current work activity, the severity of the impairment(s), residual functional capacity, and vocational factors (i.e., age, education, and work experience) are assessed in that order. When a determination that an individual is, or is not, disabled can be made at any step in the sequential evaluation, evaluation under a subsequent step is not necessary.

First, the trier of fact must determine if the individual is working and if the work is substantial gainful activity. 20 CFR 416.920(b). In this case, the Claimant is not working. Therefore, the Claimant is not disqualified at this step in the evaluation.

The second step to be determined in considering whether the Claimant is considered disabled is the severity of the impairment. In order to qualify the impairment must be considered severe, which is defined as an impairment which significantly limits an individual's physical or mental ability to perform basic work activities. Examples of these include:

1. Physical functions such as walking, standing, sitting, lifting, pushing, reaching, carrying, or handling;
2. Capacities for seeing, hearing, and speaking;
3. Understanding, carrying out, and remembering, simple instructions;
4. Use of judgment;
5. Responding appropriately to supervision, co-workers, and usual work situations; and
6. Dealing with changes in a routine work setting. 20 CFR 416.921(b).

In this case, the Claimant's medical evidence of record supports a finding that Claimant has significant physical and mental limitations upon Claimant's ability to perform basic work activities such as walking, standing, sitting, lifting, pushing, pulling, reaching, carrying, or handling. Medical evidence has clearly established that the Claimant has an impairment (or combination of impairments) that has more than a minimal effect on the Claimant's work activities. See Social Security Rulings: 85-28, 88-13, and 82-63.

In this case, this Administrative Law Judge finds that Claimant may be considered presently disabled at the third step. Claimant meets listing 12.04 or its equivalent. The testimony of Claimant's treating therapist supports this position. This Administrative Law Judge will not continue through the remaining steps of the assessment. Claimant's testimony and the medical documentation support the finding that Claimant meets the requirements of the listing. Claimant has other significant health problems that were not

fully addressed in this decision because Claimant is found to meet a listing for a different impairment.

Therefore, Claimant is found to be disabled.

### **DECISION AND ORDER**

The Administrative Law Judge, based upon the above findings of fact and conclusions of law, decides that Claimant is medically disabled as of July 2013.

Accordingly, the Department's decision is hereby **REVERSED** and the Department is ORDERED to:

1. Initiate a review of the application for SDA and MA dated October 31, 2013, if not done previously, to determine Claimant's non-medical eligibility.
2. The Department shall inform Claimant of the determination in writing. A review of this case shall be set for September 2015.
