Docket No. 14-009578 HHS
Case No. ██████████

DECISION AND ORDER

This matter is before the undersigned Administrative Law Judge pursuant to MCL 400.9 and 42 CFR 431.200 *et seq.*, upon the Appellant's request for a hearing.

After due notice, a hearing was held on ██████████. Appellant did not appear. Appellant was represented by her Guardian, ██████████, who appeared and testified.

ISSUE

Did the Department properly close the Appellant's Home Help Services ("HHS") case?

FINDINGS OF FACT

The Administrative Law Judge, based upon the competent, material and substantial evidence on the whole record, finds as material fact:

1. Prior to the negative action herein, Appellant had a HHS case open. Appellant's medical eligibility is not at issue.
2. On ██████████ the Department received a data match information report indicating that Appellant's spend-down had not been met since ██████████. Appellant's current spend-down is \$ ██████████ per month. (Exhibit A.11)
3. The Medicaid personal care option that allows the Department to open an HHS case when the client provides proof of having paid spend-down amount. Payments by the Department are only made in the amount exceeding the spend-down each month.

CONCLUSIONS OF LAW

The Medical Assistance Program is established pursuant to Title XIX of the Social Security Act and is implemented by Title 42 of the Code of Federal Regulations (CFR). It is administered in accordance with state statute, the Social Welfare Act, the Administrative Code, and the State Plan under Title XIX of the Social Security Act Medical Assistance Program.

Home Help Services (HHS) are provided to enable functionally limited individuals to live independently and receive care in the least restrictive, preferred settings. These activities must be certified by a physician and may be provided by individuals or by private or public agencies.

The Adult Services Manual (ASM) addresses eligibility for Home Help Services:

Department policy requires Medicaid eligibility in order to receive HHS, and clients with a monthly spend-down are not eligible until they have met their spend-down obligation. (Adult Services Manual (ASM) 105, November 1, 2011, pages 1-2 of 3).

Requirements

Home help eligibility requirements include **all** of the following:

- Medicaid eligibility.
- Certification of medical need.
- Need for service, based on a complete comprehensive assessment (DHS-324) indicating a functional limitation of level 3 or greater for activities of daily living (ADL).
- Appropriate Level of Care (LOC) status.

Medicaid/Medical Aid (MA)

The client may be eligible for MA under one of the following:

- All requirements for Medicaid have been met.
- MA deductible obligation has been met.

The client must have a scope of coverage of either:

- 1F or 2F.
- 1D or 1K (Freedom to Work).
- 1T (Healthy Kids Expansion).

Clients with a scope of coverage 20, 2C or 2B are **not** eligible for Medicaid until they have met their MA deductible obligation.

Note: A change in the scope of coverage in Bridges will generate a system tickler in ASCAP for active services cases.

Medicaid Personal Care Option

Clients in need of home help personal care services may become eligible for MA under the Medicaid personal care option.

Discuss this option with the client and coordinate implementation with the eligibility specialist.

Conditions of eligibility:

- The client meets all Medicaid eligibility factors except income.
- An independent living services case is open.
- The client is eligible for home help services.
- The cost of personal care services is **more** than the MA excess income amount.

If **all** the above conditions have been satisfied, the client has met MA deductible requirements. The adult services specialist can apply the personal care option in ASCAP. The deductible amount is entered on the **MA History** tab of the Bridges **Eligibility** module in ASCAP.

**Docket No. 14-009578 HHS
Decision and Order**

Use the DHS-1210, Services Approval Notice to notify the client of home help services approval when MA eligibility is met through this option. The notice must inform the client that the home help payment will be affected by the deductible amount, and that the client is responsible for paying the provider the MA deductible amount each month.

Do **not** close a case eligible for MA based on this policy option if the client does not pay the provider. It has already been ensured that MA funds will not be used to pay the client's deductible liability. The payment for these expenses is the responsibility of the client.

Changes in the client's deductible amount will generate a system tickler from Bridges.

MA eligibility under this option **cannot** continue if the cost of personal care becomes **equal to or less than** the MA excess income amount.

Adult Services Manual (ASM) 105, 11-1-2011 pages 1-2 of 3

At an administrative hearing, Appellant bears the burden of proof to establish eligibility.

The Appellant's need for assistance at home was not contested in this case. Rather, the Appellant's HHS case was proposed for closure as she no longer had active MA. As Appellant's spend-down exceeds her HHS grant, there is no eligibility for the personal care option. No evidence was presented which would establish eligibility based on the personal care option. Therefore, the Appellant is not eligible to receive HHS and a closure of her HHS application was appropriate and required under federal and state law.

DECISION AND ORDER

The Administrative Law Judge, based on the above findings of fact and conclusions of law, decides that the Department properly proposes to close Appellant's HHS case.

IT IS THEREFORE ORDERED that:

The Department's proposed decision is **AFFIRMED**.
